

Sunlake High School Pathways Planning Sheet for 2015 - 2016

The following tables illustrate the common educational pathways in English, math, science, and social studies. These pathways assume successful completion of the previous course as well as meeting other prerequisites that may apply. It is not required that the pathway be followed; however, each is a suggested pathway to achieve optimal success during and after high school. This is only intended to be a planning guide. Graduation requirements and course offerings are subject to change.

English <small>(4.0 credits required for graduation)</small>	9th Grade	10th Grade	11th Grade	12th Grade
Traditional	English 1	English 2	English 3	English 4: Florida College Prep
College Prep	English Honors 1	English Honors 2	English Honors 3 AP English Language	AP English Literature DE Comp 1 & DE Comp 2
Advanced College Prep	English Honors 1	English Honors 2	AP English Language DE Comp 1 & DE Comp 2	AP English Literature DE World Lit 1 & DE World Lit 2

Mathematics <small>(4.0 credits required for graduation)</small>	9th Grade	10th Grade	11th Grade	12th Grade

Advanced College Prep	AP Human Geography	AP World History	AP U.S. History	AP U.S. Government & AP Microeconomics AP U.S. Government & AP Macroeconomics

Pathways Explanations

Traditional - After high school, this student will enter the work force, join the military, or attend a technical or community college.

College Prep - After high school, this student will attend a community college or four-year university (with the foreign language requirement completed).

Advanced College Prep - After high school, this student will attend a more competitive four-year university (with the foreign language requirement completed).

Advanced Coursework Expectations & Requirements

Honors - Offers the same curriculum as regular classes but are tailored for high-achieving students — covering additional topics or some topics in greater depth.

Advanced Placement (AP) - Provides motivated and academically prepared students with the opportunity learn at the college level and potentially earn college credit. Students are required to take the AP exam in May. Separate AP agreement required.

Dual Enrollment (DE) - DE classes allow high school students to earn college credit while simultaneously earning high school credit. Separate application required.

A 3.0 cumulative unweighted GPA and qualifying test scores are required for DE courses.
