All Clarke County School District students will be issued a free PINES Library Access for Youth (PLAY) Card account in May 2022 as part of a collaboration between the Clarke County School District, Georgia Library PINES, and your Athens-Clarke County Libraries.

The PLAY Card account will provide each CCSD student with free materials (books, magazines) and online resources from the public library to help your child succeed in school, along with fun resources to support a lifelong love of reading.

- PLAY Card accounts will use CCSD student ID numbers as the library card number - one less login to remember!
- Check out 5 physical items at a time from the library catalog of over 11 million items for books, DVD's, audiobooks, and other materials at over 300 libraries across Georgia.
 - Check out e-books, audiobooks & digital magazines! Titles are returned automatically with no fines!
- No fines for overdue items!
 - Fines still apply for lost, long overdue, or damaged materials; however, the account, library resources, and services are all free.
- Learn a new language online with Mango Languages. Online courses are offered in 70+ languages!
- Get help with homework using:
 - Digital Library of Georgia
 - EXPLORA
 - Learning Express
 - tutor.com
- Take practice tests for the SAT, PSAT, and others.
- Obtain state park and museum passes, including Georgia State Parks and Historic Sites, Zoo Atlanta, Center for Puppetry Arts, Chattahoochee Nature Center, and more!
