Reflection

1. What goals did you create for yourself during this phase of the unit?
2. What actions did you take to meet your goals during this phase of the unit?
3. Do you believe that you did well meeting your goals during this phase of the unit? If so, explain how, but if not, explain what went wrong.
4. What assignment do you believe you did well on during this phase of the unit and why?
5. What assignment do you believe you did not do well on during this phase of the unit and why?
6. What lesson or skill did you not understand during this phase of the unit?
7. What goals would you like to create for yourself for next week?
