Logo and Color Guide

400

Challis School District Logo and Color Guide details the identity for all Challis Viking Athletic and Extracurricular programs. The elements in this guide have been specifically created to display the pride and tradition of the Challis Vikings.

The purpose of this guide is to outline a consistent visual identity for athletic programs and extracurricular programs. This guide is designed to be a simple, useable tool kit containing approved mascot logos and school colors.

Coaches, advisors, and students who are representing Challis School District in sporting events or activities will be required to follow this guide when purchasing all uniforms with district or program funds prior to ordering.

The preferred mascot logo for Challis Vikings:

Primary school colors are red and white. The majority of the uniform must consist of red and/or white with a secondary color being black. Travel/warm-up uniforms may consist of red, white, or black. Uniforms worn on approved theme nights do not have to consist of the school colors.
