Below is important information regarding our scheduling process and requirements:

- Advanced Placement Courses are the most rigorous courses offered at Ponte Vedra High School. Please take great care in selecting these courses and the number of AP courses taken in any given year. Our website has information regarding Advanced Placement course work: <https://www-pvhs.stjohns.k12.fl.us/apinfo/>
- Our intention is to release student preliminary schedules twice this summer, once in late June/early July and again one week prior to the start of school **August 10, 2022** when students will receive their final schedule. **Once students preliminary schedules are released in July, we will not accept requests for reasons of teacher change, period change, or changing electives. Schedule changes will only be accepted for duplicate courses, missing courses, and/or a course level change.**
