

Professional Growth Plan for the School Counselor

Name: _____ School: _____

Based on review of your progress during the induction cluster, your scholarly readings and experience as a School Counselor in Delaware, identify at least one (or more) area(s) in which you would like to concentrate your professional growth over the next five years. You may choose professional development activities, master's programs, distance learning, or other professional activities. You may include professional School Counselor organizations and educational organizations in your plan.

Identify what parts of your role as a School Counselor need further study and refinement and who might be helpful to you.

Indicate how you expect to achieve the professional growth indicated above. Indicate the activities you are considering to achieve your goal using the Guidelines for Renewal of a Continuing License (www.doe.k12.doe.us click on DEEDS – Maintaining Your Credential – License Renewal Manual) This may have been given to you as a new hire in hard copy. It contains several pages that are very helpful in planning for the minimum ninety clock hours.

Provide a brief rationale for your plan. Indicate how you plan to acquire the ninety hours necessary for your continuing license at the end of the five-year cycle.

Where would you like to be professionally five years from now?
