Policy and Legislative Initiatives

Facilitate implementation of the strategic plan

- Goal 1: Increase high school graduation rate, decrease high school dropout rate, and increase post-secondary enrollment rate.
- Goal 2: Strengthen teacher quality, recruitment and retention.
- Goal 3: Improve workforce readiness.
- Goal 5: Improve the SAT, ACT, and achievement scores of Georgia students.

Facilitate implementation of the Bridge Bill

- Industry Certification
- Articulation
- Work-Based Learning
- Supporting at risk students
- Industry recognized student credentials
- School chairs for Perkins compliance reviews

Instructional Support Initiatives

- End of pathway assessments
 - Implement the blueprint for End of Pathway Assessments
 - Assist in identifying certifying agencies
- Instructional resources development
 - Organize teams to develop instructional units and resources to implement the GPS
 - Assist teachers in locating and utilizing resources available
- Curriculum re-organization to match the 16 Federal Career Clusters
- Support students from special populations to develop employability skills in their CTAE classes and facilitate their school-to-career transition
 - Coordinated Career and Academic Education (CCAE)
 - Career Technical Instruction (CTI)
 - Project Success

Career Technical Student Organization (CTSO) Initiatives

The CTAE department works with eight Career and Technical Student Organizations to enrich the curriculum in the CTAE Pathways. The activities of each CTSO are a co-curricular component of the Career Technical and Agricultural Education curriculum. The CTSO organizations are non-profit entities that maintain an affiliation with their corresponding national organization

CTSO Leadership development activities

- Operations of a local chapter Program of Work
- State officer training
- Local officer training conferences
- Fall Conferences
- Spring Conferences
- National Conferences
- Regional Events

Teacher Support Initiatives

Professional learning

- Create a professional learning plan
- Submit proposals for the Career Technical and Agricultural Education Resource Network (CTAERN)
- Collaborate with CTAERN on approved workshops and course offerings

Collaboration with PCS on certification/endorsement issues

- Collaborate with keeping the Professional Standards Commission's CAPS system up to date
- Assist the Professional Standards Commission in determining acceptable certification routes
- Collaborate with PSC approved providers

Extended Day

Coordinate annual updates to the Program of Work

Business and Industry Collaboration

- Coordinate industry certification of programs
 - 116 programs undergoing certification in FY11
 - Collaborate with certifying agencies
 - Serve on review teams
- Manage program support contracts with business/industry
 - Collaborate with business and industry organizations to support instructional programs
 - Provide consultation
 - Teacher workshops
 - Site visits
 - Preliminary reviews
- Engaging business and industry in standards development
 - Conduct advisory committee meetings
 - Coordinate business and industry members serving on curriculum review teams
 - Verify the efficacy of business/industry involvement in instructional programs

www.gadoe.org

State Education Rules

These current rules have been adopted by the State Board of Education, filed with the Secretary of State, and are, therefore, in effect.

Providing the statewide leadership necessary to ensure that all public school students have the opportunity to succeed.

Rules are listed in alphabetical order according to National Schools Boards Association (NSBA) codes. To sort by a particular category, simply click on any column heading.

To determine rules of the State Board of Education that have been recently adopted, sort the column 'Effective Date'. The most recently adopted rules will appear at the end of the list.

See Also

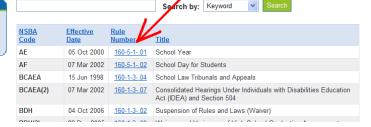

• Rules Status Report

An account of the progress or development of State Board of Education rules. The report shows the dates specified rules are initiated for public review, the dates public hearings are held to receive comments on the rule, the dates rules may first be adopted, and the actual adoption dates.
