2022 Hawaii Spring Art Contest

Project Pilina's theme this year is "I BELONG". This contest is open to all students in grades K-12. All entries must be postmarked or received by Monday, March 21, 2022 by 4:30pm to be eligible. Contest form and rules are located on our school website.

Mountain Lions; the SEL word of the week is 'understanding', it is the ability to understand how something works or know what it means. Boys and girls, it is important to open your heart and have compassion and try to understand what others around you may be feeling.

Some examples to think about....

When you see a friend struggling in class, remember the time you also had a hard time 'understanding' an assignment in class and offer encouragement or help.

If you are at recess and a friend seems sad, send them a smile even if it's with your eyes.... Choosing love and kindness is the Mountain Lion WAY.

Kindergarten Registration began on Tuesday, February 1st. Please visit our school website to schedule an appointment. All the required documents are posted to bring to your appointment.
