Our Mission Statement

Our school will create a secure community that will instill a desire for academic excellence in all students, fostering the development of caring, productive citizens.

Thank you for your desire to help South Woods Elementary PTO and request for information on an annual sponsorship for the 2020-2021 school year. Your membership will help enrich our school events throughout the year. Your generosity and kindness will also allow our school to be able to create a rewarding, fun, and exciting environment for friends and families to enjoy together. This year, South Woods Elementary PTO purchased each student a "Spirit Face-Gaiters" and puts on all the major school events for the year to foster parental involvement and at the end of each school year we make a donation to the school to purchase things like laptops for the classrooms. We would greatly appreciate any proceeds you can make. Should you purchase an annual sponsorship, your business will be recognized at our school events as well as featured in our school newsletter. If you are able to contribute please fill out our form and return by mail (South Woods Elementary, ATTN: PTO, 4750 State Road 206 W, Elkton, FL 32033) or in person.
