contractual obligations. we will also be discussing the impact this will have on extended day requirements etc in the next few days. PLEASE call the Hyatt and cancel your room if you have one there or another hotel etc. we will keep you posted through out the day and thank you so much for being patient the last few days with this process. Let us all keep our teachers and the other citizens of Savannah, Coastal Georgia, Florida, South Carolina, etc in our thoughts as they prepare for Hanna.

Take Care and Stay Safe,

Sarah Heath

- POW Monthly Reports Now Shows All Activities For Both Middle School & High School

CTAE System & School Contacts

- Please enter into your "School Profile List" any new teachers for 2008-2009 school year.
- Please take out teachers that have left your school for whatever reason.
- Please do the same for your Graduation Coach and any Guidance Counselors.
- PLEASE MAKE SURE all your teachers have declared in their 'Teacher Profile' the primary Program Concentration and Career Pathway being taught the upcoming school year. This can be done, by the teacher, by clicking on the menu item 'myProfile', then clicking on the 'Select' button next to 'CTAE Teacher' in the 'Staff Specific Section' of the 'myProfile' page.
- It is important you do not remove any WBL/YAP Coordinators from your system or schools before you transfer their students to another coordinator within your system. This function is now available in your menu 'CTAE System Contact' listed as C-NET - Transfer Students

Due to my safety and travel concerns for BCS teachers and my presenters due to Hurricane Hanna, the Hyatt and myself have decided to reschedule the **BCS Conference** for a later date. The Hyatt will be looking at the calendar and sending me the available options tomorrow morning. Monty and I will be cross-referencing the FBLA and school calendars to see what dates are most logical. We will then send out a survey to see which of these is most appealing to BCS teachers and CTAE supervisors. Once the new date is selected in the next few days, we will discuss refunds and payments for the conference fees. Please be patient with me as we work our way through this situation and contractual obligations. We will also be discussing the impact this will have on extended day requirements etc in the next few days. PLEASE call the Hyatt and cancel your room if you have one there or another hotel etc. I will keep you posted throughout the day and thank you so much for being patient the last few days with this process. Let us all keep our teachers and the other citizens of Savannah, Coastal Georgia, Florida, South Carolina, etc in our thoughts as they prepare for Hanna.

Take Care and Stay Safe,

Sarah Heath

Teachers Network: Teacher Grants

Teachers Network has compiled a series of grant opportunities for various topics. Please check the areas of interest via the navigation menu. If you have an education-based grant opportunity you would like us to post, e-mail it to grants@teachersnetwork.org.

Also, be sure to explore the [Teachnet Lesson Plans and Units](#) created by grant winners.

Congratulations to the founding members of the Teachnet Institute!
 For the list of new members, please visit our [Teachnet Institute home page](#).

Email us at teachnetnyc@gmail.com to be added to our eblast list.

Congratulations to Our Spring 2009 Grant Winners

Thank you for an overwhelming response to our latest grant opportunity. Fifteen grants were awarded to public school teachers in New York City who demonstrated effective technology integration across the curriculum, with a special emphasis on early childhood and literacy projects. Because of the large number of applicants, we are not able to give specific feedback. However, all applicants will be notified of their status via email before February 27, 2009. Grant-winning projects will be posted later this spring. Questions or comments may be directed to teachnetnyc@gmail.com. Thank you for your interest in Teachnet.

Kohl's Cares for Kids®

Every day, people and companies across the country are doing amazing things to support the communities they live in, work in and love. Kohl's is no exception. Through its Kohl's Cares for Kids® programs, Kohl's strives to be an active member of each community where we do business.

From injury prevention and immunization programs through our hospital partnerships, Kohl's directs time, effort and funding toward keeping kids healthy. To date, Kohl's has raised more than \$126 million to support children's health and education initiatives nationwide.

In 2008, nearly 64,000 Kohl's Associates volunteered more than 217,000 hours to support youth serving nonprofits in their communities with more than \$5.6 million in grants through efforts such as tutoring kids after school, building playgrounds and participating in fundraising runs and walks.

In addition, Associates have shown their commitment to their communities by recognizing and rewarding young volunteers with over \$1.8 million in scholarships and gift cards through the Kohl's

Partial view of a purple graphic on the right side of the page, featuring a white heart shape and the text "A letter from Larry Kohl's".

A-Team Volunteers

When something needs to be done, you send your best. As countless children's charities and organizations have found, the best oftentimes is a Kohl's A-Team! From leading Girl Scout troops to volunteering at children's hospitals, Kohl's Associates are volunteering their time to enrich children's lives throughout the country. And thanks to the Kohl's A-Team program, their efforts are paying big dividends. [View our A-Teams in action!](#)

Through Kohl's A-Teams, Associates form teams of five or more to support a local children's charity. Kohl's rewards and supports the team's participation with a \$500 corporate grant given directly to the charity.

Learn more about Kohl's A-Teams:

[A-Team Stories](#)[Nonprofit Testimonials](#)[A-Team-Sponsored Organizations](#)[How to Work with an A-Team](#)[FAQs](#)

Fast Facts

Through Kohl's A-Teams, we encourage Associates to volunteer their time to nonprofit activities focused on enriching the lives of children.

Kohl's A-Team participation is matched with a corporate grant of \$500.

To qualify for the grants, there must be five or more Kohl's
