

Pine View Middle School
An IB MYP World School Magnet
Individuals & Societies (Civics) Year 2

Ms. Cooper

Middle Years Programme (MYP) individuals and societies incorporates disciplines traditionally studied under humanities and social sciences. This subject group encourages learners to respect and understand the world around them, and equips them with necessary skills to inquire into historical, geographical, political, social, economic, and cultural factors that affect individuals societies and environments, all while honoring the Social Studies Florida Standards. The IB's approach to this subject area helps students to appreciate critically the diversity of human culture, attitudes and beliefs. This helps students to recognize that both content and methodology can be debatable and controversial, and for both practicing the tolerance of uncertainty.

Individuals & Societies Year 2

LATE / INCOMPLETE WORK

My expectation is that **ALL** assignments are completed on time. All students will receive two late work passes per quarter that will enable them to turn in assignments late for full credit. The late pass needs to be completed in its entirety. This includes a parent signature. It is important to develop strong study skills now. Any assignment turned in late *without a late pass* will receive 10 points off for each day late. After two days you will receive a 65%. Late work will be accepted until one week before Progress Reports or Report Cards each quarter.

WORK QUALITY

Students are expected to turn in QUALITY work. Ms. Cooper will return any work that does not meet her standards of quality. It is the student's responsibility to redo the assignment and turn it back in.

ABSENTEE POLICY

YES, WE DID SOMETHING IMPORTANT WHILE YOU WERE ABSENT. Excused absences guarantee students the right to make up any and all assignments assigned on the day[s] of absence at full credit. The student is responsible for asking the teacher(s) for assignments and make-up tests within two (2) class meetings with the teacher. The teacher(s) shall specify a reasonable period of time for completion of make-up work. In no case shall the time be less than one full calendar day for each day missed. Work due to be turned in on the day of the absence will be turned in upon return and be given full credit. The principal or designee shall have the authority to modify these conditions with a confirmed hardship. Students who have been assigned out-of-school suspension (OSS) may make up all missed assignments and tests for full credit. *(Student Code of Conduct page 9)*

TECHNOLOGY

Students are expected to abide by all school and district digital safety rules and guidelines. Failure to do so will result in said student being banned from technology in class. While we encourage students to bring their own devices to school, using them in class without teacher permission will result in a behavior step. Students will be required to use technology both at school and at home. Students will use various sites accessed from their My Pasco Connect dashboard. Login information will be given the first week of school and can be recorded here:
