is energy that is stored in an object but is not being used.

Potential Energy

Kinetic Energy

_____ is the energy of motion.

Potential Energy

Kinetic Energy

Is this image an example of potential or kinetic energy?

Potential Energy

Kinetic Energy

Is this image an example of potential or kinetic energy?

Potential Energy

Kinetic Energy

Is this image an example of potential or kinetic energy?

Potential Energy

Kinetic Energy

Is this image an example of potential or kinetic energy?

Potential Energy

Kinetic Energy

Is this image an example of potential or kinetic energy?

Potential Energy

Kinetic Energy

Is this image an example of potential or kinetic energy?

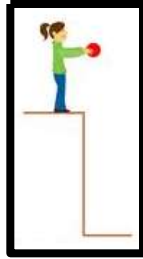

Potential Energy

Kinetic Energy

Is this image an example of potential or kinetic energy?

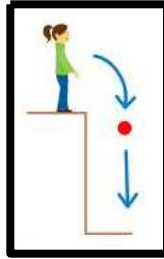

Potential Energy

Kinetic Energy

Is this image an example of potential or kinetic energy?

Potential Energy
