

RAM REPORT

February 6th, 2022

We Are Family

REYNOLDS RAP

February 7 - 11 is **National School Counseling Week**, and this year's theme is "School Counseling: Better Together." Lake Mary High School values the contributions of its counselors in serving the needs of students and families, and if you have some time this week, please consider sending an email or note to your child's counselor to let them know you appreciate their efforts.

Speaking of counseling, students are now able to register for classes in Skyward. The instructions were sent to students and parents last week, but I have included them in this email as well. Please know that the core academic classes have already been input for all students, but if students want to change those classes, they should email their counselor. The deadline for registration is Friday, Feb. 18 at 3:00 pm.

Finally, I would like to thank all of the students, staff, and parents who participated in our accreditation last week. The virtual visits went well, and the committee members were very impressed with the high level of parent and community involvement, including parent input. Please keep up this tradition by completing our Snapshot Survey. You can access the survey [here](#). Have a Great Week, and Go Rams! -Dr. Reynolds
