REYNOLDS RAP

Now that the school year is rapidly drawing to a close, it's time to look forward to what opportunities are available for LMHS students during the summer months. We are excited to welcome our students back to campus for face-to-face summer for credit recovery, as well as many face-to-face camps, and even an in-person dual enrollment course. Following are the options for students this summer:

- For rising seniors, we are holding a RAMP Up for College seminar June 7-10.
- For rising juniors, we are offering a PSAT Prep Camp July 26-29.
- Our Young Men of Excellence are hosting Camp Excellence for rising 7th through 10th graders July 12-29.
- We are hosting a Choir Camp for rising 9th through 12th grades July 12-23
- We are also hosting a Theatre Camp to stage Les Miserable, open to rising 9th graders through outgoing seniors, June 7 - July 11. **Applications are due tomorrow!**
- We are offering a dual enrollment class in Life and Career Planning, free of charge and open to all students with a gpa of 2.5 and above. This class will be offered twice: once in Summer School Session A (June 1-10) and Summer School Session B (June 14-24) and is a great way for students to earn their first college credits with the goal of planning for life after high school.

Information about all of these opportunities is included in this newsletter.

In preparation for the 2021-22 school year, save the following dates for your child to come to school to walk his/her classes, get textbooks, and check out our Club Expo.

- Monday, August 2nd from 9:00 am - 12:00 pm - Students in grades 10-12
- Tuesday, August 3rd from 9:00 am - 12:00 pm - Students in grade 9

Community Service

At Seminole County Public Schools (SCPS), we encourage students to develop a sense of responsibility for others within their community. Please note the following information:

All service must be unpaid, must not earn other academic credit, and should meet other requirements explained on the volunteer service program form. All questions regarding the process should be directed to the student's school counselor.
2. Students are strongly encouraged to get their service plan approved in advance to ensure that hours will be accepted and approved by the principal/designee.

Organizations interested in student volunteers may send an email to ePathways@scps.us or contact school counselors directly at a high school of interest.
