Free Meals

We are pleased to announce that breakfast and lunch will continue to be offered for free to Pasco County students for the 2021-2022 school year. To qualify, students must select a complete meal. Information on what makes a complete meal is available on our website

www.PascoSchoolsFNS.org and is posted in all school cafeterias. Snack and a la carte items will be available for purchase.

Free/Reduced Application

The 2021-2022 Free and Reduced Meal Application is now available at www.PascoSchoolMeals.com. Currently, all students are eligible to receive free breakfast and lunch, regardless of their eligibility status. However, we still strongly encourage you to complete a new meal application if your household still qualifies. Schools receive a portion of their funding based off the percentage of students who qualify for free or reduced-price meals. To review the eligibility guidelines and complete an application, please visit www.pascoschoolmeals.com.
