

# North Forsyth High School: 9<sup>th</sup> Grade 2022-23 Course Selection Sheet

## General Information: Teachers have made core academic recommendations.

- At this time, students must verify course selection and make additional elective choices.
- Should you disagree with the teacher recommendation(s), please complete the online course waiver on the NFHS website.
- Courses that end in "y" are year-long courses. Courses that end in "s" are semester courses. Therefore, students who select a semester course must select two "s" courses to balance their schedule.
- Courses with a teacher name, instead of a course number, require that teacher's approval for placement/application/audition. An \* designates an application must be completed. See the teacher and/or 2022-2023 Registration link on the NFHS website for a copy of the application.
- Select the number of elective courses to equal a 7-period day. In the portal, you will see 100% complete when you have a complete schedule. You must select 3 alternates.
