## TALENT SHOW APPLICATION

Dear Parents/Guardians:

Scoggins Middle School will be providing an opportunity for students to showcase their talent in front of the student body. Your child has expressed an interest in performing in one of the categories listed below. Students will be required to audition **February 15 OR 17, 2022 after-school** to be approved to perform. Registered students will be assigned an audition date. We are limited in the number of slots we have available. All students are required to provide music and instruments for their performance. Music must be provided via CD or USB at the time of the audition. Phones will not be allowed. Performances will be scheduled after auditions have been completed. Students who are not prepared to perform their act at the audition will be removed from the talent show line-up.

By signing the permission form below, you are giving permission for your child to perform the talent(s) indicated. If your student is involved in a group performance, this will be indicated as well. Please remember that all students participating in the Talent Showcase must dress appropriately and only perform school-appropriate material. **Students may not change music from audition to performance.**
