It is helpful to think of the blank column as a space that you can list the duration of each class. That will make it easy to add up all of your coursework to ensure you have enough classes to fill a 7 period day.

Class duration (1/2 year or year) correlates with 1/2 credit or 1 credit listed next to the course number on the inside of the registration card.

For example: Language Arts I Advanced (1 credit/1001020) = 1 year
 -or-
 6th Grade iSeries course (1/2 credit/9100110) = 1/2 year
