DISCUSSION ITEMS

No FOIA requests this month.

Superintendent Day provided the Board with an update on what was planned for new teacher orientation scheduled for August 5 and August 6.

A discussion was held regarding the plans for Middle School Fall Sports and anticipated high numbers. Coach Parcel was in attendance to share that he expects over 40 MS baseball players interested in playing this season. IESA limits the number of athletes that can participate in the post-season to 18 players. The softball coach anticipates enough girls to fill his team, but not the same high numbers as the boys. Coach Parcel will work on finding fall leagues that athletes that do not make the 18 player roster can choose to participate in this fall, in order to help them work on skills for the future. He will

send his plan to Superintendent Day, who will share it with the Board, prior to the Middle School Fall Sports Parent Meeting on Monday, July 22. The alternative plans/schedule will be tentative until final details (players interested, possible games, volunteer coaches, financial needs, etc) can be determined.
