

Sequoyah High School ~ Class of 2023

Congratulations! You are about to begin your final year at Sequoyah High School. As graduation quickly approaches, we will be sending out reminders several different ways. One of the informal ways will be through Remind101. We have created 9 groups for the class of 2023. By dividing the senior class up into these 9 groups (alphabetically by last name), we should be able to have each senior and 2 parents per senior sign up to receive these updates. Don't worry . . . all of these groups will receive the same notifications simultaneously!

There are several ways to sign up:

1. **MOST PREFERRED METHOD**: If you have a smartphone and already have the Remind101 app: Open the app and click "join a class". Then type the appropriate "Remind 101 App Code" from the chart below.
2. If you have a smartphone (get push notifications) but don't have the app: Open your web browser and type the "Remind 101 Website Link" from the chart below. Follow the instructions to sign up for Remind. You'll be prompted to download the mobile app.
3. If you don't have a smartphone (get text notifications): Text the "Remind 101 App Code" from the chart below to the number 81010. FYI - most information is shared as a picture. Some pictures may not be visible as a texting feature.
4. Don't have a mobile phone? On a desktop computer, open your web browser (compatible with Google Chrome) and type the "Remind 101 Website Link" from the chart below to sign up for email notifications.
