

Dear 3rd Grade Families,

Thank you again for your continued support as we remain on this new learning adventure. Outlined below is our Remote Learning Plan for the dates of April 13-17. We will be using the following schedule provided by East Lake Elementary to alternate content for these instructional days.

“A” Day	“B” Day
Instruction is focused in the area of READING/ELA.	Instruction is focused in the areas of MATH and SOCIAL STUDIES.
Students should complete Art, Music, and PE activities on the day that their class attends. (Follow their class specials schedule.)	

It has also been recommended that during the time moving forward, that Fridays be used as work time, turn-in missing work time, and digital office hours for students/caregivers for check-in only. Therefore, Fridays will be a day without a prescribed schedule and/or new assignments.

Please ensure students complete scheduled assignments each day. **It is crucial that students complete the assignments in the order they are listed.** Many of the assignments are assigned through the Google Classroom platform as well as the Into Math Ed platform.

Please remember that each teacher has online office hours each day,
Monday-Friday from 9:00am-3:00pm.

Dates:	To Do List: Please complete assignments in the order that they are presented.
Monday, April 13th “A” Day	<ul style="list-style-type: none"> <input type="checkbox"/> ELA Google Classroom: Read two non-fiction Readworks passages and answer comprehension questions. <input type="checkbox"/> ELA Google Classroom: Complete Capitalization google form quiz
