

Remote Learning Information

Students will be expected to complete school work during this school closure. This packet will provide information and activities for your student to complete at home. Please make sure you are signed up for REMIND 101, because this will be the best way to stay in contact with me during this time. I will be assigning alternate activities and assignments as the closure continues.

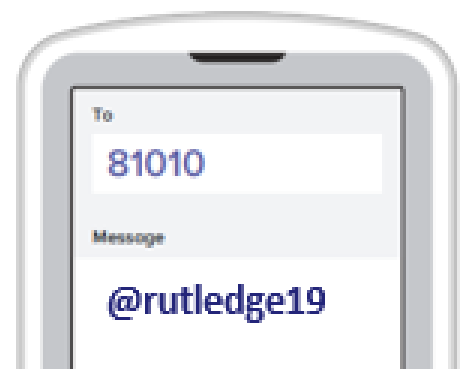

Please sign up for REMIND 101.

This is the best way to communicate with Mrs. Rutledge.

Text the message [@rutledge19](#) to the number **81010**.

If you are having trouble with **81010**, try texting [@rutledge19](#) to (205) 683-1281.

*Standard text message rates apply

Students are expected to complete assignments in all subject areas so they do not fall behind.

In some of the subjects students can choose to complete the online and/or the paper activity.

To access the online resources:

www.launchpad.classlink.com/henry

Username:

(Student's 6 digit lunch number)

Password:

(students first initial, students last initial, 6 digit
birthdate, #)

Ex. Password: **AR051582#**

(A- First initial for Amanda, R-Last initial for Rutledge,
051582- for birthday May 15, 1982, # symbol)

Online Programs we use:

McGraw Hill- Phonics

District Resources- Ed-Math, Science, Social
Studies

Phonics

Online access:

www.launchpad.classlink.com/henry

Click on District Resources

Click on McGraw Hill

Click Launch

From here students will be able to access the correct Unit, Lesson, and Day.

***Students are also encouraged to go to previous Unit, Lesson, and Days and explore.

Writing

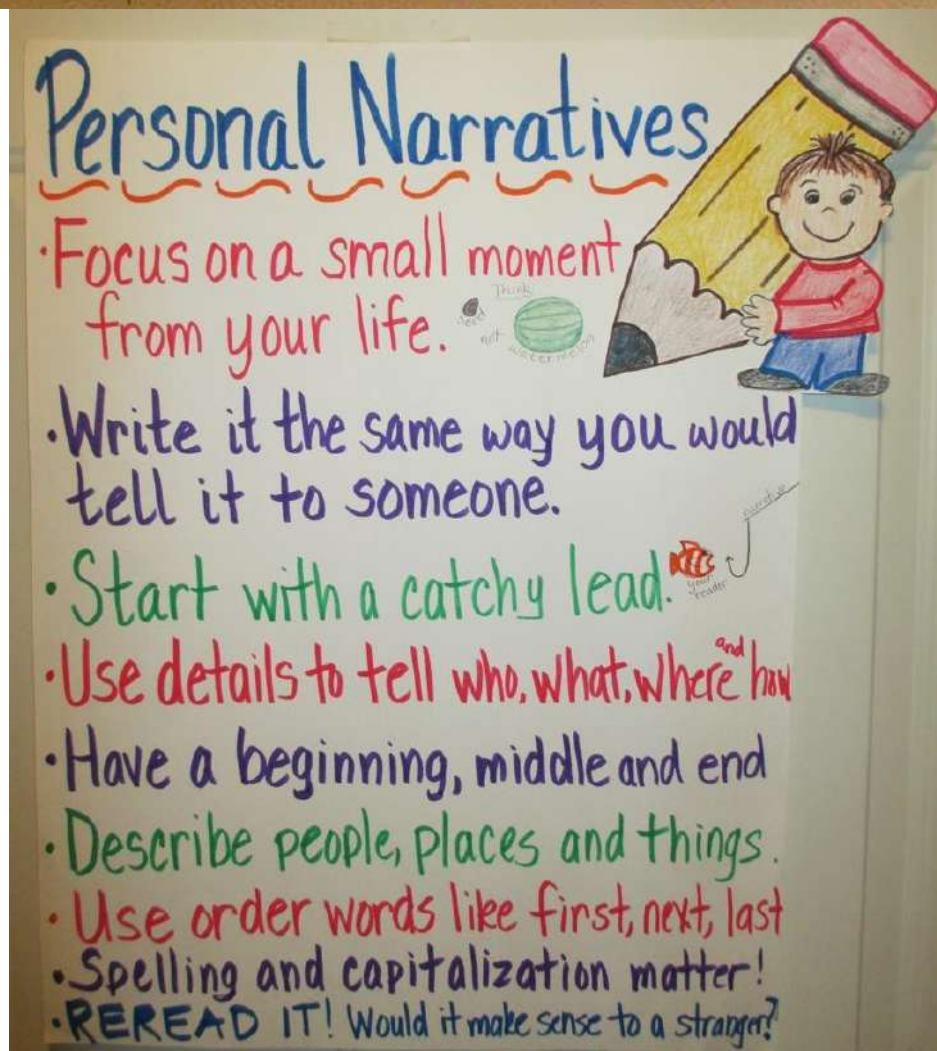

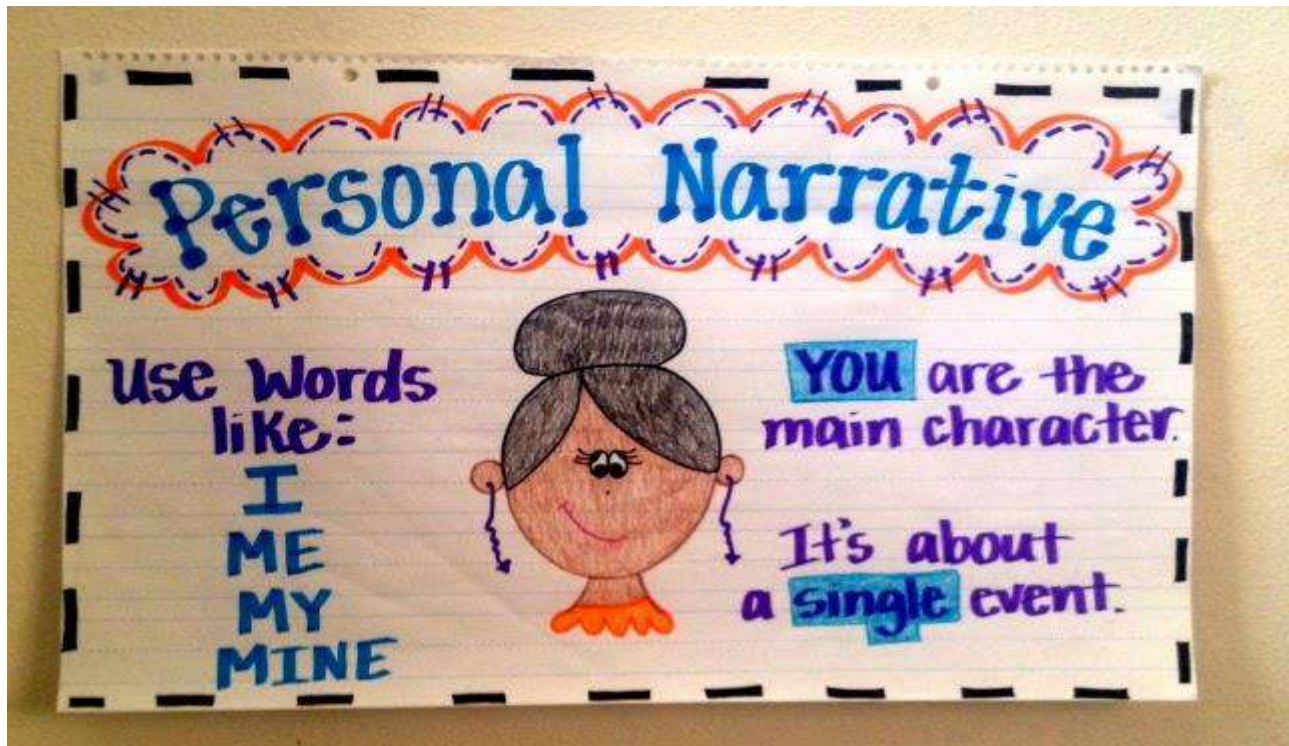

Goal: I can write a narrative in which I recount 2 or more appropriately sequenced events, include some details regarding what happened, use transition words, and provide a sense of closing.

Students should write personal narrative stories.
They should write at least 3 times per week.

Ideas include:

- what you did on your first day off of school
 - hanging out with a friend
 - going to the movies
 - going on vacation
 - a birthday party
 - a fun time you had
- going to a sporting event
- the time you helped out a friend

Writing Anchor Charts

Reading

Goal: I can retell a story, including key details. I can ask and answer questions about key details in a text.

Students should read books or online books every day. They should use the **Roll and Retell** sheet to help them retell the story.

Students use Epic in the classroom and can sign in at home.

www.Getepic.com

Click Students.

Class Code: stk8804

(This website is only available during school hours.)

***It is possible that I will assign a book for students to read. This will show up in their mailbox on Epic. I will send a Remind101 message if I assign a specific book.

Science

Goal: I can obtain, evaluate, and communicate information about the basic needs of plants and animals.

Online access:

www.launchpad.classlink.com/henry

Click on District Resources

Click on Ed

Choose Science on the top of the screen.

Choose Unit 6

From here you can do anything in Lesson 1 or 2.

Social Studies

Goal: I can describe how people are both producers and consumers.

I can explain that people earn income by working and that they must make choices about how much to save and spend.

Online access:

www.launchpad.classlink.com/henry

Click on District Resources

Click on Ed

Choose Social Studies on the top of the screen.

Choose Magazine 10.

From here you can do anything in Magazine 10.

Math

Goal: I can identify dimes, and understand that ten pennies can be thought of as a dime.

Review: Remind students that dimes are worth 10¢ and pennies are worth 1¢.

Online access:
