

Remote Learning Plan

Biology Students will continue to cover the topic of GENETICS for week 1 of Remote learning.

Your Daily agenda is below

Please make sure to go to google classroom for the assignments and all assignments should be submitted on Google classroom for grading.

Day 1 March 16

Students will:

1. Weekly Opener EOC study Guide
2. Complete the genetics
3. Weekly Exit go to illuminate and complete and submit for grading your week1-8 benchmark assessment (these were assigned prior to remote learning)

Also, Students please note all grades have been updated for assignments given prior to remote learning. There are still several Biology students in 3rd and 4th period who have not completed your missing work. Be sure to go back and complete (submission of work after 03/18 will require you to send me an email so I will then go back to Google classroom to recheck the assignment and to update your grade).

Day 2 March 17

Students will:

1. Weekly Opener EOC study Guide
2. Read posted information on the topic of Pedigrees, watch video, and complete worksheet (video recap amoeba sisters) This can be found on Google Classroom
3. Weekly Exit go to illuminate and complete and submit for grading your week1-8 benchmark assessment (these were assigned prior to remote learning)

Day 3 March 18

Students will:

1. Weekly Opener EOC study Guide
2. Genetic Disease Project This can be found on Google classroom
3. Weekly Exit go to illuminate and complete and submit for grading your week1-8 benchmark assessment (these were assigned prior to remote learning)

Day 4 March 19

Students will:

1. Weekly Opener EOC study Guide
2. Genetic Disease Disorder This can be found on Google Classroom
3. Weekly Exit go to illuminate and complete and submit for grading your week1-8 benchmark assessment (these were assigned prior to remote learning)

Day 5 March 20
