

Music– Mrs. Jeni West

I think that one of the most fun things to do in life is to experience it through music! I learned this at a young age when I became involved in choirs and piano in Farmington, New Mexico. I later went on to earn a degree in Vocal Music Education at Oklahoma City University and discovered that I love to TEACH music even more! My teaching career began in Oklahoma 16 years ago and then moved to Texas and now I'm enjoying my experiences teaching in Florida! I also have the joy of experiencing music with my husband and two children, Ashley (age 14) and Jason (age 9).

My goal is for my students to learn a basic knowledge and understanding of music and to have a good time while doing so. I plan on continuing our after-school Chorus for 4th/5th graders and Orff Ensemble for 5th Graders as well as our "SOAR Celebrations" and many other musical experiences and performances. I enjoy the challenge of making sure that ALL of students have an opportunity to shine and show an "I can!" attitude. I am so excited to get started and begin a "musical adventure" together!

Art - Mrs. Whitney Witkowski

My name is Whitney Witkowski and I will be the Art Teacher this year. I have lived in Jacksonville for almost three years and have taught Kindergarten in St. Johns County for the last two years. I was an Art teacher in Marietta, Georgia, for two years before moving to Jacksonville. I am originally from Saginaw, Michigan and have a degree from Saginaw Valley State University in Art Education. I love teaching and cannot wait to create and explore Art with the students of Timberlin Creek! We will be working with many different mediums and producing some amazing projects! It is going to be a wonderful year in the Art Room!

Physical Education Department

Our goal is to maintain a safe and positive environment where the students can be active. We will offer opportunities for students to learn and practice skills, assess current fitness levels, and build character traits through activities that involve teamwork, cooperation and sportsmanship.

Mrs. Cindy Anderson

I am very excited about teaching Physical Education to your children again this year at Timberlin Creek Elementary. I graduated from University of Florida with a degree in Exercise and Sport Sciences. I have taught physical education for the past 18 years. My husband is also a school district employee in St. Johns County. We have two sons at Switzerland Point Middle School.

Mrs. Casey Ragland

Welcome back soaring eagles! I graduated from Florida State University with a degree in Physical Education and have taught Physical Education for the past 4 years in St Johns County. I am married and coach volleyball at Bartram Trail High School. I am looking forward to meeting your children and having a great year full of fitness and fun!

Mr. Trey Leonard

I am very excited to be back here at Timberlin Creek for another great year of Physical Education. Last year was my first year of teaching after graduating from University of North Florida with a degree in Physical Education. When I am not teaching at Timberlin you can find me working with my baseball team at St. Augustine High School.

Media Center—Mrs. Elaine Roberson

My name is Elaine Roberson and I am the new media specialist this year. I have lived in St. Johns County for thirteen years and graduated in 2011 with a masters degree in library services from Florida State University. My background includes technology, teaching, and library services. I am excited to be a part of Timberlin Creek Elementary and look forward to encouraging a love of reading to all of our students. This year we have some exciting activities planned involving the Sunshine State Young Reader's Award books. We will also have book fair fundraisers and book swaps the fall and spring. It is going to be a wonderful, book filled year!
