

## BLACK HISTORY MONTH RESOURCES

The following web sites may provide research information and lesson plan ideas that you may utilize to develop instructional activities for Black History Month.

The Learning Commons online library catalog *Destiny* will allow you to do a keyword search to locate print and video resources in our Learning Commons that will be useful in preparing classroom lessons or for student research. You can access the Learning Commons catalog via the Union Grove High School Website. Click on the Learning Commons and click on [Black History Month Online Resources](#) or visit [Galileo](#), Georgia's online library.

1. Encyclopedia Britannica (EB) has many free resources (includes a timeline, biographies, images, and primary documents). You may access EB two ways – through the Learning Commons Website and click on [Black History Month Online Resources](#).

2. The African-American Mosaic: A Library of Congress Resource Guide for the Study of Black History and Culture
