Click on 1) Member Log in 2) Choose Active member from drop down menu

3) Log in to existing account or register for a new one

Need help ~~ Please call 1-800-352-0650

If you have not set up your online account, please do so. You **must go online to update/change beneficiaries** or if you want to check for any discrepancies with your years of service. You need to notify the retirement system immediately. It is very important that you keep your account up to date.

You can simply log into your online account and view, make changes, and/or print your statement. I recommend that you print a copy for your personal file.
