

3rd Nine Weeks Social Studies Project

Review Game

Objective: Students will create a review game on the topics learned this nine weeks.

Board Game Directions:

1. Design a game board on poster board. It can be styled after your favorite board game such as Monopoly, Sorry, Chutes and Ladders, LIFE, etc. or use your own design!
2. Decide the number of players and what will be used as markers on the game board.
3. Decide how to move around the game board. You can use dice, a spinner, number cards, etc.
4. Include 15-20 questions about one of the topics listed below. Be sure to include your answers! Questions can be on separate cards or on the game board itself. Topics include:
 - A. World War I
 - B. Roaring Twenties (1920s)
 - C. Great Depression (1930s)
 - D. World War II

Computer games:

1. A “Jeopardy” game may be created using the above topics. Use the website below to create your own game.

<http://www.superteachertools.com/jeopardy/>

2. A “Hollywood Squares” game may also be created. Use the website below to create your game using a topic listed above. Just remember, there should be 15 to 20 questions so you’ll have to create two games in one.
