- 1007000 Speech and Debate- Semester
- 1700000ER1 Robotics- Semester 
- ~~9009110A Video Gaming/Programming- Semester ~~
- 333333sok Business Keyboarding- Semester (virtual)
- 1302000 Beginning Band- Year long
- 1303000 Chorus 1- Year long
- ~~0101300 Art 1- Semester~~

Important Notes

FSA

Students below proficiency on the FSA math/reading tests, may be placed in an intensive class, which will take the place of an elective.

Virtual Courses

For the 2022-23 school year, SCPS will provide full-time virtual instruction options to students in grades K12. Enrollment will be open from April 4, 2022 to July 29, 2022.

For more information, please see your school Counselor or visit <http://virtualschool.scps.k12.fl.us>

Physical Education

A semester of PE is required; however, in some cases students may be scheduled in year long PE based on scheduling constraints.

Rock Lake is the proud home of **Digital & Emerging Technologies**, an SCPS Program of Exploration (P.O.E.) which provides students with elective courses in current technologies. These courses are designated with

- 1205020 Math 1 Accelerated (Advanced)
- 1205020L Math 1 Gifted/Talented
- 1205020G GEMS Pre-Algebra*

- 2109010 World History Standard
- 2109020L World History Gifted/Talented

- 9100110 iJourney- Semester

Important Notes

Math

Students who score a mid to high 3, or a 4 or 5 on the spring FSA will be placed in accelerated (advanced) math. If you do not wish for your child to be placed in an accelerated (advanced) math class, it is your responsibility to email your child's school counselor BEFORE May 6, 2022. After that date, Math placement will be very difficult to change.

GEMS

Students who take GEMS in 6th grade will take Algebra 1 Honors in 7th grade and Geometry Honors in 8th grade. Both are high school credits and will be factored into your student's overall high school GPA, and grades will appear on their transcripts as high school academic electives. Students on this path must take 4 additional math credits in high school. Please review the math progression plan on the back of the parent letter.

iSeries Courses

The Student Progression Plan requires iJourney (semester course) and either iConnect (semester course) or iChallenge (semester or year long course).

Rock Lake Middle School presents the **Raider Triple Crown Challenge**: Over the course of your middle school career, take **iJourney**, **iConnect** and **iChallenge** and

- Earn an overall A, B, or C grade for each course
- Take certification exams in all three courses
- Pass at least one certification exam in each course (3 certifications) to earn the *Crown* level
- Pass 4 certifications to earn the *Crown with Garnet* level
- Pass 5 certifications to earn the *Crown with Sapphire* level

Meeting the **Raider Triple Crown Challenge** will earn distinction at the eighth grade awards assembly and honor on the future Raider Triple Crown Challenge Wall of Fame.
