REFLECTION (In Class – After the Tutorial)

I was a student presenter during the tutorial today:	YES	NO	
1. How much did you know about your Initial Question/POC	before completing	your TRF?	
			/1
2. At what part of the problem/question did you initially get	stuck?		
			/1
3. What problems/difficulties did you encounter as you tried	d to solve you probl	em/answer your que	stion?
			/1
4. During your presentation, what specifically led to the clar	ification of your PO	C?	
			/1
5. In the space below, summarize your learning starting with finally the steps you now have/understand that can be used whole process to a peer)			
6. Knowing what you know now, what is one additional/furt	ther question you no	ow have concerning t	/ 3 this topic?
			·

THREE-COLUMN NOTES (During the Tutorial)

POINT-OF-CONFUSION QUESTION	TUTORIAL NOTES	STEPS/PROCESSES
I asked the following questions during	's tutorial:	
1.		
2.
