Parent Portal Directions for Registration

ALL GRADE LEVELS

Written Directions to Select Elective Courses in Infinite Campus

1. Log into Infinite Campus/Parent Portal on Tuesday, February 15th after 8:00 AM.
2. Choose the student you wish to register from the tab at the top (if you have more than one child).
3. On the left-hand side of the screen towards the bottom, click on **MORE**. Then select **COURSE REGISTRATION**. Next, select the school showing (it should reflect **LAMBERT HIGH SCHOOL**).

At this time, you will be able to view your student's academic course registration, but cannot make changes to those courses in the portal. If you are missing a core course or see an incorrect course, you will need to request changes to these classes through the **COURSE WAIVER**.

4. Use the **Course Planner** in this packet for making choices for **ELECTIVES**. Refer to the Course Digest (Forsyth County Schools website) for any pre-requisite information about courses. Link available on Lambert HS website.
5. Follow the prompt to add "**Elective Course**" and "**Alternates**". You must select a minimum of 3 alternative courses. *The courses you are selecting are course requests, not a FINAL schedule.*
6. **You may search by course name OR number.**
7. If you wish to drop a course after you have selected it, then click the class and follow the prompt to drop. You may no longer make changes to course requests once the window closes at **4pm on Wednesday, February 23, 2022.**

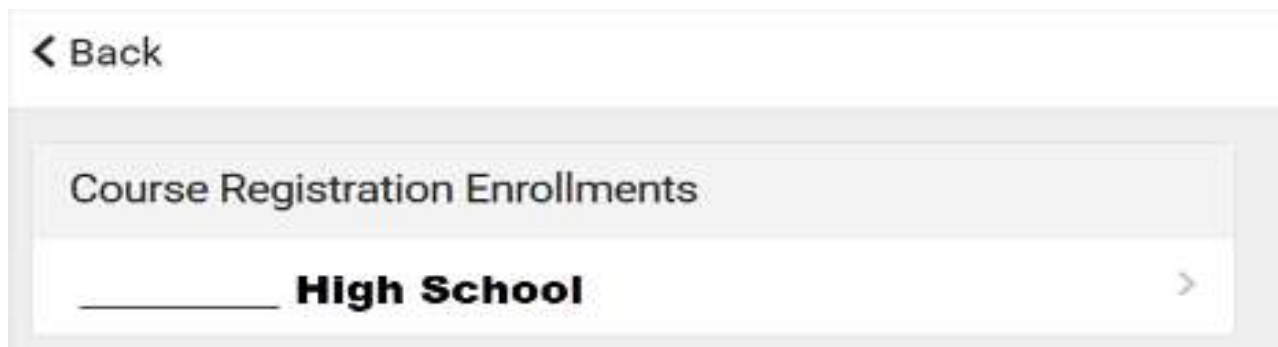

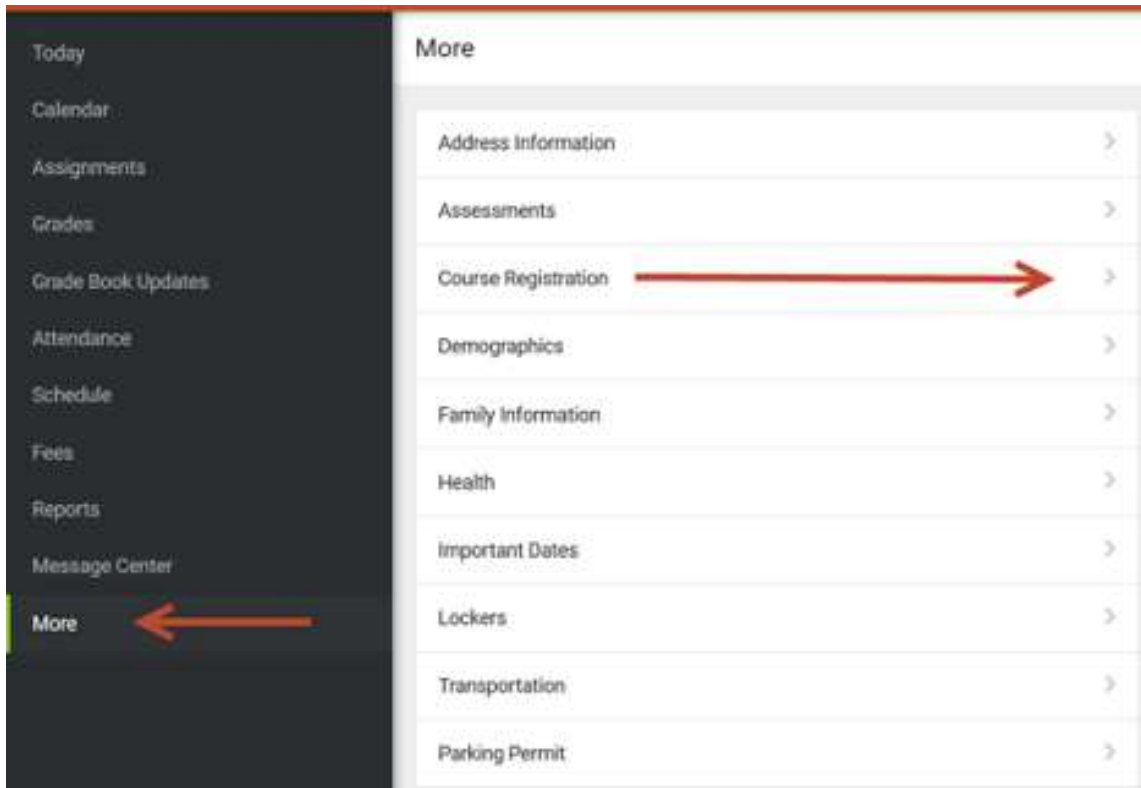

Important Reminders:

- You need a total of **8 courses (80/80)** in Parent Portal. *The additional course to complete 80/80 will be your Lunch and Learn period. It will be added automatically prior to the opening of your registration window.*
- **Yearlong courses = 1.0**
- **Semester courses = .50** (keep semester courses paired as shown on the course sheet - Ex. Driver Education/General PE 1), **enter both course numbers.**
- Selection is not first come first serve in securing a seat in a course.
- You can make elective selections and changes at any time the Portal is open - see dates below.
- Student course requests can be viewed through Parent Portal ONLY during the **Verification window > March 31st, April 1st, and April 2nd, 2022.**

Important Dates

Course Request Portal Opens: Tuesday, Feb 15

Please log into your parent portal account. If you do not have a parent portal account, please contact your school you are currently attending. Once logged in, on the left-hand side of your screen at the bottom, select More. Then select Course Registration. Then select the school showing.

The next screen to appear will show you the courses your student has been recommended for next year. These will be listed under the title "Required". You will also notice at the top of the screen percent complete bar and Units (xx/xx). Each course is composed of units. Normally, a yearlong course equals 1 unit and a semester course equals .5 units. You

will be able to select Elective courses until you reach the maximum of 80 units. All courses requested after the 80 units will be Alternate Courses.

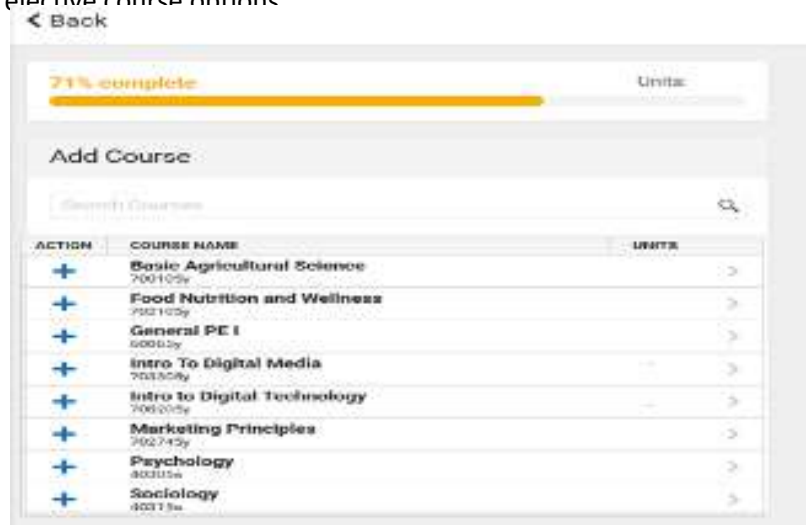

At the bottom of the screen is a blue box – Add Course. Select this box.

The screenshot shows a user interface for course selection. At the top left is a back arrow and the text "Back". Below this is a progress indicator showing "71% complete" with a yellow bar and a "Units:" label to the right. A red arrow points to the "71% complete" text, and another red arrow points to the "Units:" label. Below the progress bar is a section titled "Course Requests" with a table. The table has two columns: "COURSE NAME" and "UNITS". A red circle highlights a "REQUIRED" button in the table header. Below the header, the table lists several courses with their IDs and right-pointing arrows: "Advanced Composition 10300y", "Calculus 20315y", "American Government 40000y", "Economics 40205y", "Mastery Band IV 801700y", and "Forensic Science 30445y". A large red arrow points from the bottom of the table area towards the bottom of the screen. At the bottom of the screen are two buttons: a blue "Add Course" button and a white "Print" button.

COURSE NAME	UNITS
Advanced Composition 10300y	>
Calculus 20315y	>
American Government 40000y	>
Economics 40205y	>
Mastery Band IV 801700y	>
Forensic Science 30445y	>

The next screen after selecting Add Course will list all elective course options

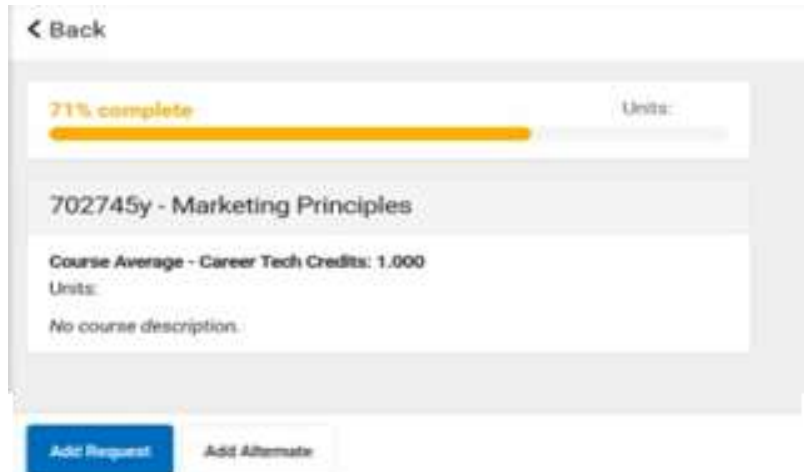

If you know the course number or course name you can type it in the search bar OR if you see it listed, select the arrow next to the course name.

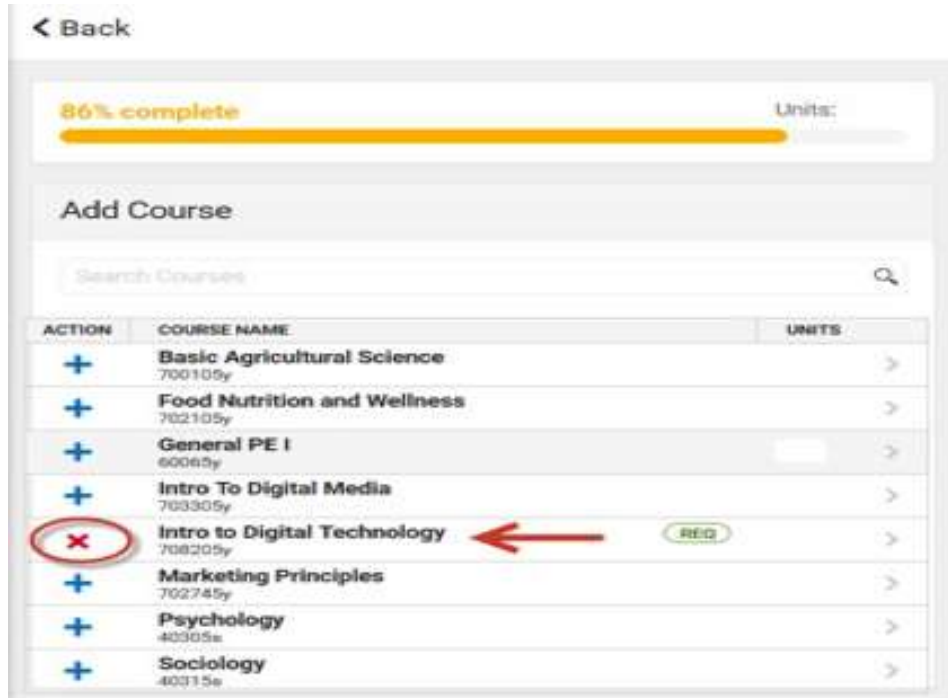

A new screen will appear – IF you see Course History listed, this means the student has already taken or is currently taken the course. Do not select the course. Select back and make another choice.

If you do not see Course History listed, then you can select either Add Request or Add Alternate at the bottom. You will only select Alternate when the units shown at the top reach 80/80

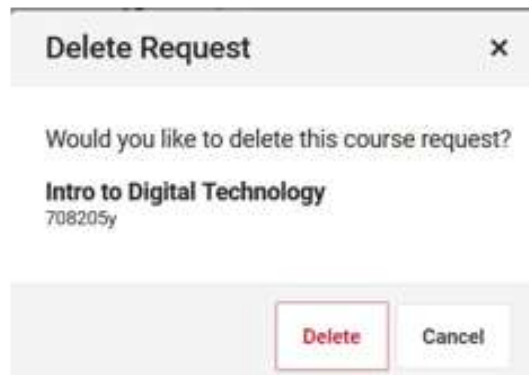

Once you selected the course, it will put a red X next to that course. If you selected the course in error or would like to change your select, just select the course again and a pop-up screen will appear asking if you would like to delete the course request.

The screenshot shows a mobile application interface for course selection. At the top, there is a 'Back' button and a progress indicator showing '86% complete' with a yellow bar. Below this is a section titled 'Add Course' with a search bar. A table lists several courses with columns for 'ACTION', 'COURSE NAME', and 'UNITS'. The course 'Intro to Digital Technology' (708205y) is highlighted with a red circle around a red 'X' in the 'ACTION' column, and a red arrow points to it from the right. A green 'REQ' tag is visible to the right of the course name. Other courses listed include 'Basic Agricultural Science', 'Food Nutrition and Wellness', 'General PE I', 'Intro To Digital Media', 'Marketing Principles', 'Psychology', and 'Sociology'.

ACTION	COURSE NAME	UNITS
+	Basic Agricultural Science 700105y	>
+	Food Nutrition and Wellness 702105y	>
+	General PE I 60065y	>
+	Intro To Digital Media 703305y	>
X	Intro to Digital Technology 708205y	REQ >
+	Marketing Principles 702745y	>
+	Psychology 40305a	>
+	Sociology 40315a	>

The screenshot shows a 'Delete Request' dialog box. The title bar says 'Delete Request' with a close button (X). The main text asks 'Would you like to delete this course request?'. Below this, the course name 'Intro to Digital Technology' and its ID '708205y' are displayed. At the bottom, there are two buttons: 'Delete' and 'Cancel'.

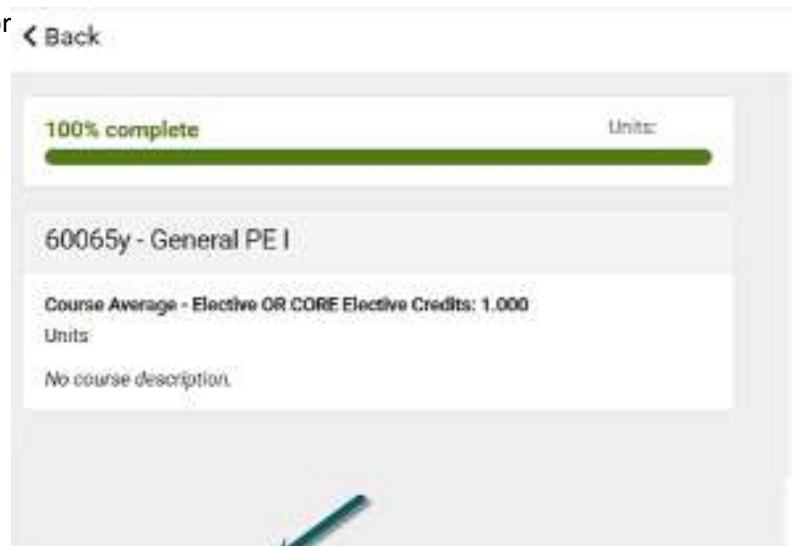

Delete Request X

Would you like to delete this course request?

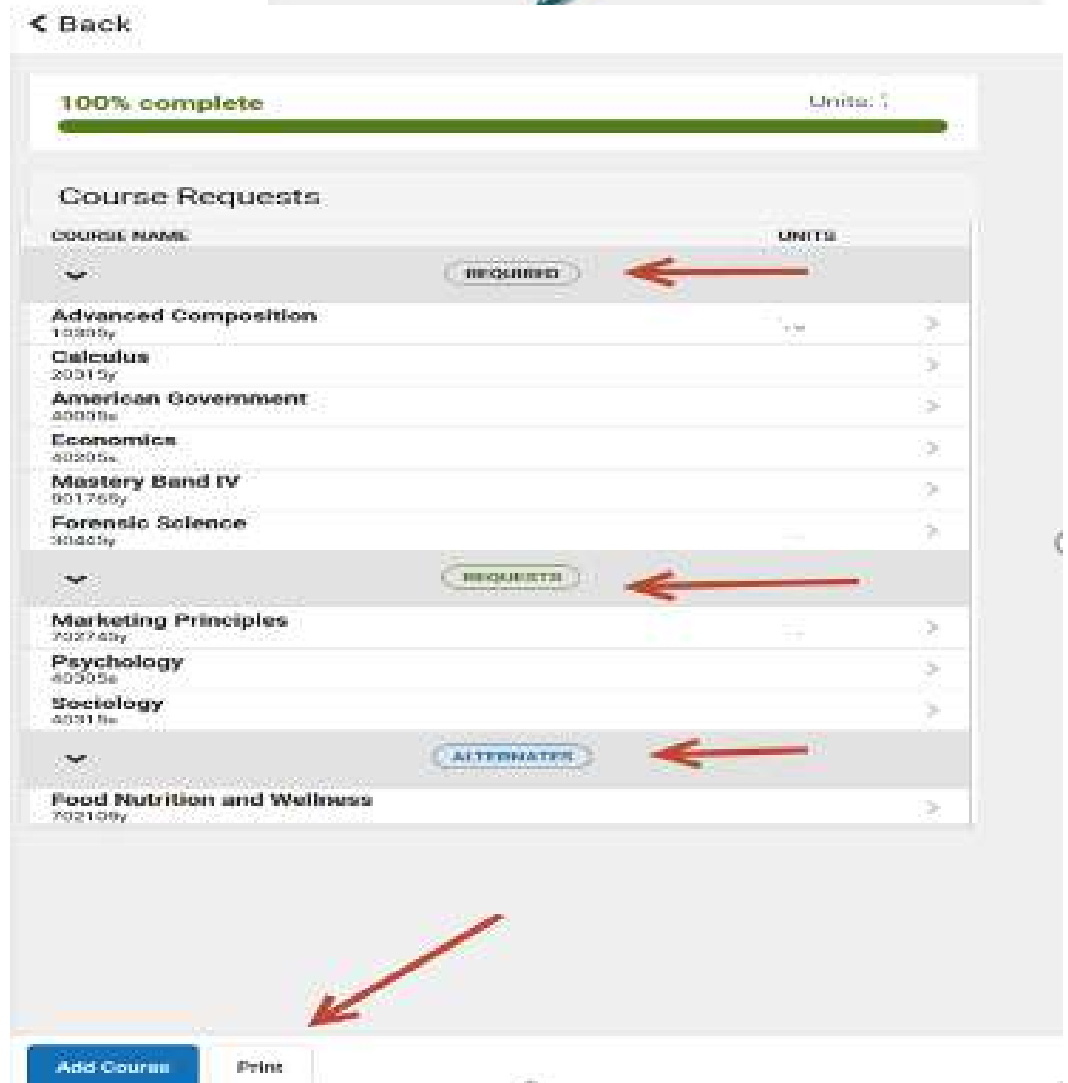

Intro to Digital Technology
708205y

Delete Cancel

Once you have selected enough courses - the completion bar at the top is 100% complete – you will need to select at least 2 alternate courses. You will follow the same process and will choose an alternate.

Once that is complete select the Back arrow at the top. This will bring you back to the main screen and show you all courses requested and your alternates. You have the option to make any corrections then select the print button at the bottom.

Course Waiver

If you wish to change a course that is listed in your student's Infinite Campus Portal under Course Requests, you will need to complete the Course Waiver during the window of:

Course Waiver

Opens – Tuesday, February 15th at 8:00 AM

Closes – Wednesday, February 23rd at 4:00 p.m.
