# Parent Portal Directions for Registration

## Rising 12th Grade

### Written Directions to Select Elective Courses in Infinite Campus

1. Log into Infinite Campus/Parent Portal on Wednesday, February 24th at 4:00pm.
2. Choose the student you wish to register from the tab at the top (if you have more than one child).
3. On the left-hand side of the screen towards the bottom, click on **MORE**. Then select **COURSE REGISTRATION**. Next, select the school showing (it should reflect **LAMBERT HIGH SCHOOL**).

At this time, you will be able to view the academic course recommendations entered by your child's current Science and Math teachers, but cannot make changes to those courses in the portal. If you do NOT see a Science or Math recommendation, you will need to request Science or Math courses through the **COURSE WAIVER**. If you see an incorrect Science or Math course, you will need to request changes to these classes through the **COURSE WAIVER**.

4. Use **Course Registration Sheets** in this packet for making course choices for **ELA, SOCIAL STUDIES, and ELECTIVES**. Refer to the Course Digest (Forsyth County Schools website) for any pre-requisite information about courses. Link available on Lambert HS website.
5. Follow the prompt to add "**Elective Course**" and "**Alternates**". You must select a minimum of 3 alternative courses. The courses you are selecting are course requests, not a FINAL schedule.
6. **You may search by course name OR number.**
7. If you wish to drop a course after you have selected it, then click the class and follow the prompt to drop. You may no longer make changes to course requests once the window for your grade level closes at 4pm on Tuesday, March 2nd.

### Important Reminders:

- You need a total of **8 courses (80/80)** in Parent Portal. *The additional course to complete 80/80 will be your Lunch and Learn period. It will be added automatically prior to the opening of your registration window.*
- **Yearlong courses = 1.0**
- **Semester courses = .50** (keep semester courses paired as shown on the course sheet - Ex. Driver Education/General PE 1), **enter both course numbers.**
- Selection is not first come first serve in securing a seat in a course.
- You can make elective selections and changes at any time the Portal is open - see dates below.
- Student course requests can be viewed through Parent Portal ONLY during the **Verification window >March 30th, March 31st, and April 1st, 2021.**

### Important Dates

**Course Request Portal Opens: Wed., Feb 24th at 4:00pm**

**Course Request Portal Closes: Tues., Mar 2nd at 4:00pm**

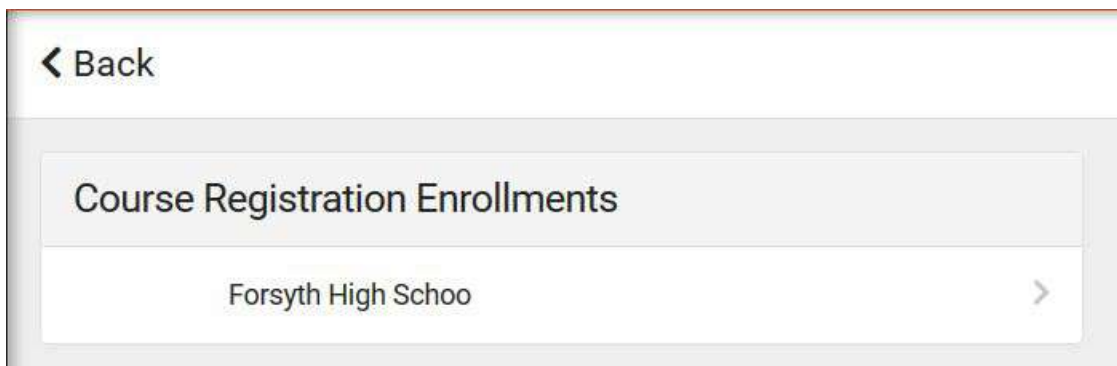

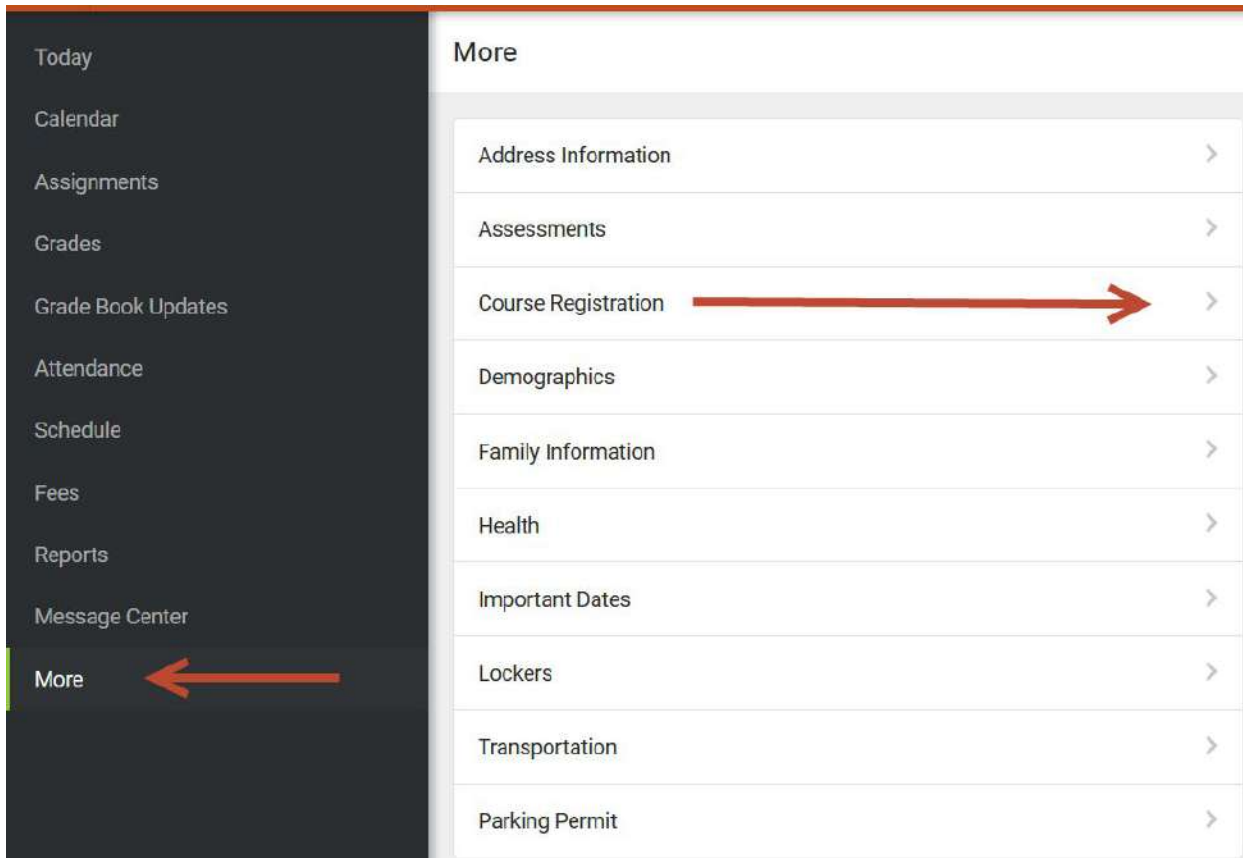

Online Waiver is available during the request window and closes at the same time.

**FINAL Review of Course Selections on Portal:**

**March 30- April 1, 2021 (THIS IS NOT A FINAL SCHEDULE)**

# Log into Parent Portal

Please log into your parent portal account. IF you do not have a parent portal account, please contact your school you are currently attending. On the left-hand side of your screen at the bottom, select More. Then select Course Registration. Then select the school showing.

The next screen to appear will show you the courses your student has been recommended for next year. These will be listed under the title "Required". You will also notice at the top of the screen percent complete bar and Units (xx/xx). Each course is comprised of units. Normally, a yearlong course equals 10 units and a semester course equals 5 units. You will be able to select Elective courses until you reach the maximum of 70 units. All courses requested after the 70 units will be Alternate Courses.

At the bottom of the screen is a blue box – Add Course. Select this box.

...a student wants to discuss a 4 year plan to their dream college?	Please encourage the student and their parent to attend one of the VIRTUAL COUNSELOR INFO SESSION/ Q& A.
...a student does not see any Science or Math course recommended by their teacher, what should they do?	This most likely occurred because they are taking a virtual science or math course at this time. Please complete the appropriate grade-level course waiver. Waiver links are on each grade-level specific webpage.
...a student wants to know about when they can request virtual classes?	Students will be able to request educational settings in March when we have more information about that process. At this time, they need to focus on the LEVEL of course and we will work on details as to HOW students take courses in a few weeks.
