Course Progression- ELA/History

ELA / SOCIAL STUDIES

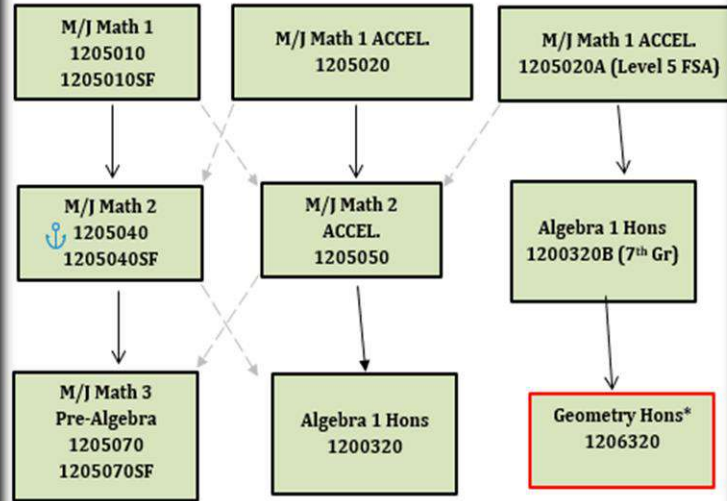

-Bold lines indicate preferred pathway

Advanced Course Placement Criteria

The following criteria represent consensus of all middle school and district administrators:

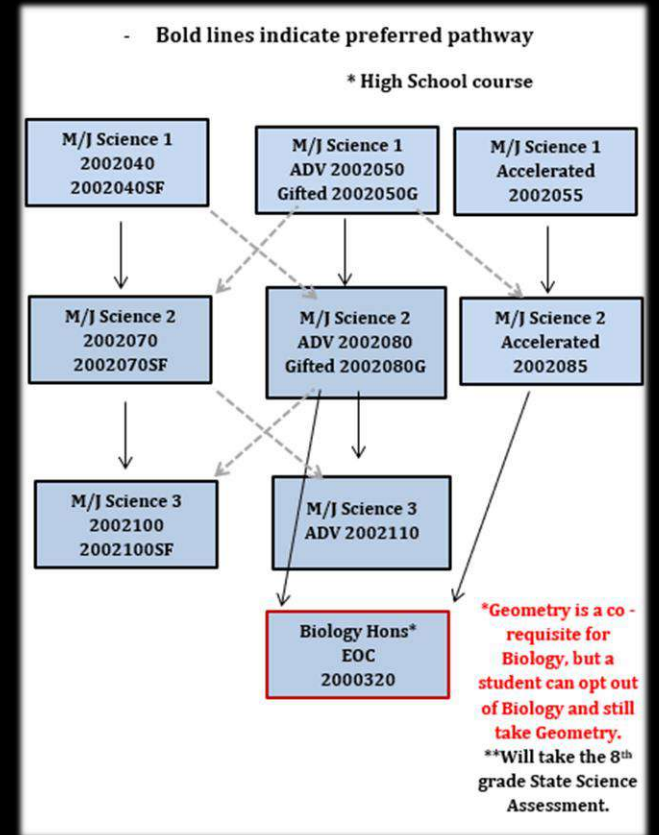

- Grades - A grade of C or better in the previous honors or advanced course, or students earning a grade of A in the previous standard course
OR
- FSA - Level 4 or 5 in appropriate area and not less than a Level 3 in any area
 - ❖ On Mathematics FSA for placement in honors or advanced mathematics.
 - ❖ On Reading FSA for placement in honors or advanced English, social studies, science, or foreign language;
 OR
- In the case of extenuating circumstances, petition may be made on a case-by-case basis to the principal (or designee) for review of criteria to ensure proper course placement.

-Please see the attached guidelines for math recommendations.

-If a 7th grader fails Algebra 1 Honors or 8th Grader Fails Algebra or Geometry, they must find a math credit to progress a grade level.

-There are ELA and Math scores that must be followed for Math placement

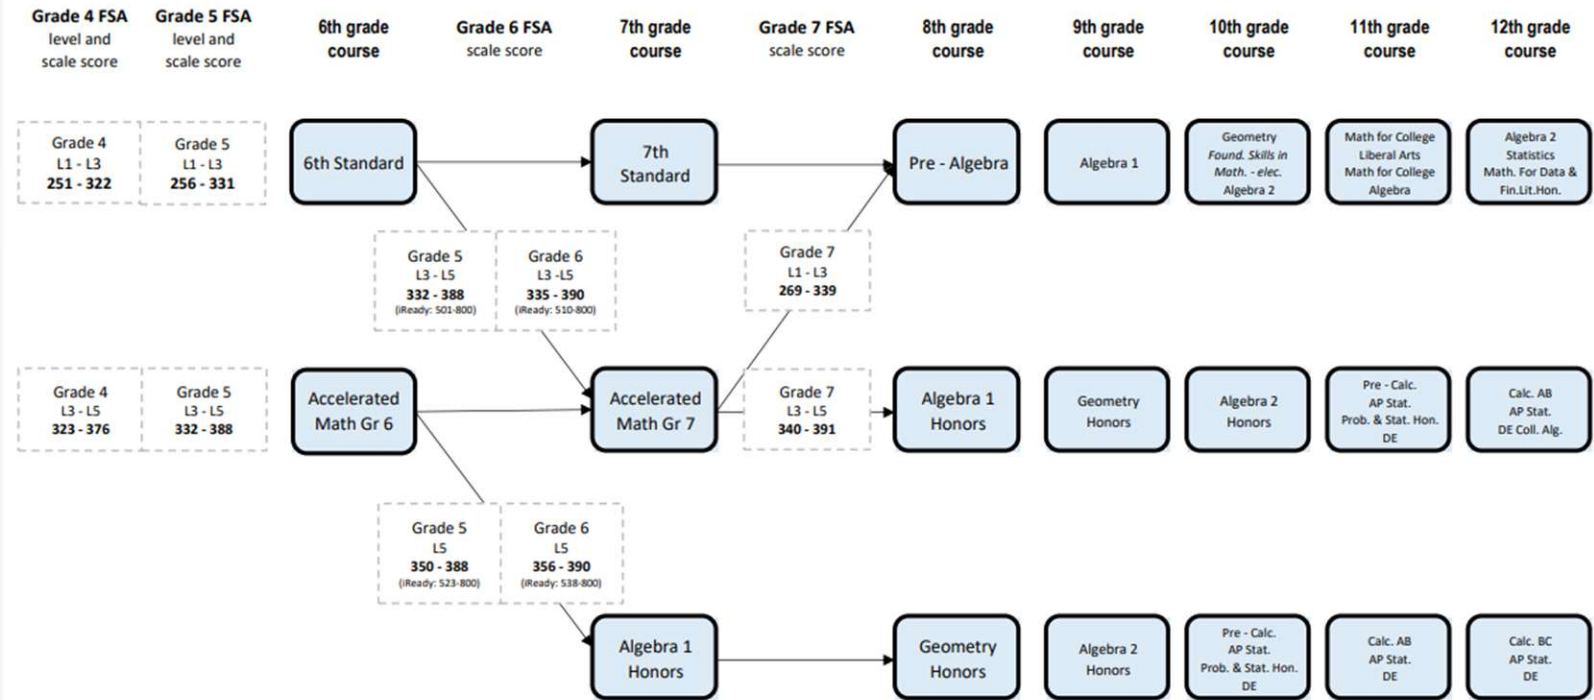

Course Progression – Math/Science

Math Progression

- Things to consider
 - FSA Scores
 - What math are you wanting to get to in high school?
 - Are you ready to start thinking about your high school GPA?
 - Will require Summer Bridge work.

2022 - 2023 SJCS Middle School Math Progression

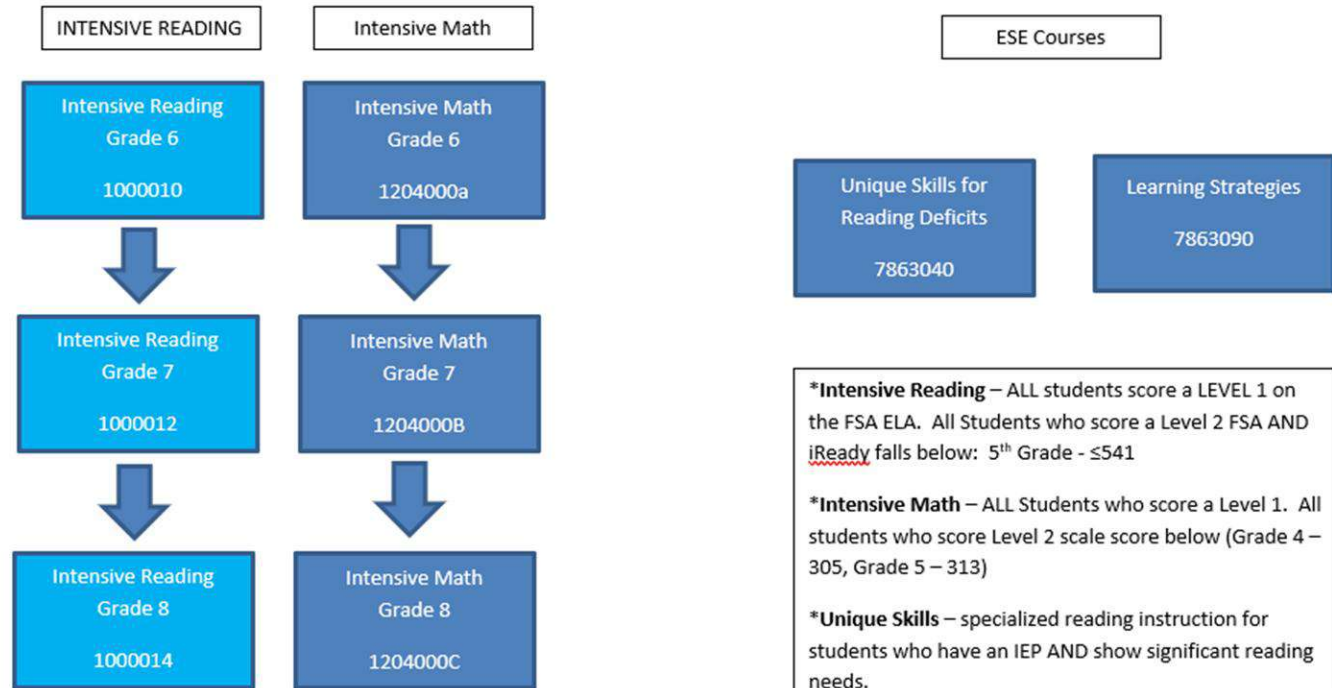

FSA ELA Level and Scale Score Requirements				
Enrolled in:	Grade 3	Grade 4	Grade 5	Grade 6
Accelerated Math Grade 6	L3 - L5 311 - 360	L3 - L5 321 - 372	L3 - L5 332 - 385	
Accelerated Math Grade 7		L3 - L5 321 - 372	L3 - L5 332 - 385	L3 - L5 321 - 372
Algebra 1 Honors*		L4 - L5 325 - 372	L4 - L5 352 - 385	L4 - L5 339 - 391

* students have not taken Pre - Algebra

iReady scores may be considered as an additional data point for summer placement, but does not replace the use of the FSA scale score.

Intensive Classes

***Intensive Reading** – ALL students score a LEVEL 1 on the FSA ELA. All Students who score a Level 2 FSA AND iReady falls below: 5th Grade - ≤541

***Intensive Math** – ALL Students who score a Level 1. All students who score Level 2 scale score below (Grade 4 – 305, Grade 5 – 313)

***Unique Skills** – specialized reading instruction for students who have an IEP AND show significant reading needs.

***Learning Strategies** – specialized instruction in areas of independent functioning and/or SEL AND have an IEP who show a need for such strategies.

Course Progression – Intensive Classes

State Exams

You can find the Year at a Glance for all 6th grade courses here:
<https://www.stjohns.k12.fl.us/year-at-a-glance/>

SIXTH GRADE

- FSA Math 6
 - Subject to change
- FSA ELA 6
 - Subject to change

SEVENTH GRADE

- Algebra 1 EOC or FSA Math 7
 - (FSA Subject to change)
- FSA ELA 7
 - Subject to change
- SSA Grade 8 (Only students in the Accel Science 2 course)

EIGHTH GRADE

- Algebra 1 EOC or FSA Math 8 or Geometry EOC
 - (FSA Math subject to change)
- FSA ELA 8
 - Subject to change
- Biology EOC or SSA Science 8
- Civics EOC

**This could change based pending new state mandates.*

Selection Process

DISTRICT GUIDANCE

- Advanced Course Placement Criteria**
The following criteria represent consensus of all middle school and district administrators:
- Grades - A grade of C or better in the previous honors or advanced course, or students earning a grade of A in the previous standard course
 - OR
 - FSA - Level 4 or 5 in appropriate area and not less than a Level 3 in any area
 - ❖ On Mathematics FSA for placement in honors or advanced mathematics.
 - ❖ On Reading FSA for placement in honors or advanced English, social studies, science, or foreign language;

SCHOOL GUIDANCE

- Teacher Recommendations:
- Class grade
 - Work ethic

Drama/Theater

Theatre at Switzerland Point is on the move. With new teacher Ms. Baker, there is a vision on create a department that relies on the students to make it happen. Introductory Classes will focus on all aspects of theatre to give you a taste for the art. Second- and Third-Year focus will bring you closer to technical theatre or performance theatre and possibly even playwriting! Join this class for a rounded look at the world through the lens of theatre.

Career Research and Planning Elective for Gifted Students

- The goals and standards for student learning revolve around the Global Competencies for Deep Learning:
 - *Creativity *Communication *Critical Thinking *Character *Collaboration *Citizenship
 - Students will grow more empathetic, become problem-solvers, learn to think divergently, make connections between ideas, become explorers, learn to take creative risks, and become wildly and unabashedly confident in their giftedness.
 - All these activities allow the students to grow in their social and emotional needs/goals as well as their academic success and global learning.

“Learning? I thought we were just having fun!”

- *STEM and Makerspace
 - *Passion Projects
 - *Riddles and Logic
 - *Art Activities
 - *Strategy Games
 - *Creative Writing
- *Research and Interviews
- *College/Career Planning
- *Community Outreach
 - *Relationship
- *Social and Emotional Lessons

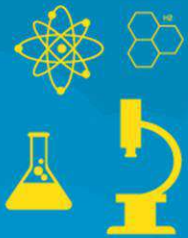

What is **STEM**?

S

SCIENCE

*Observing,
experimenting,
making
predictions,
asking
questions*

T

TECHNOLOGY

*Being inventive,
using tools,
making things
work, identifying
issues, using
computers*

E

ENGINEERING

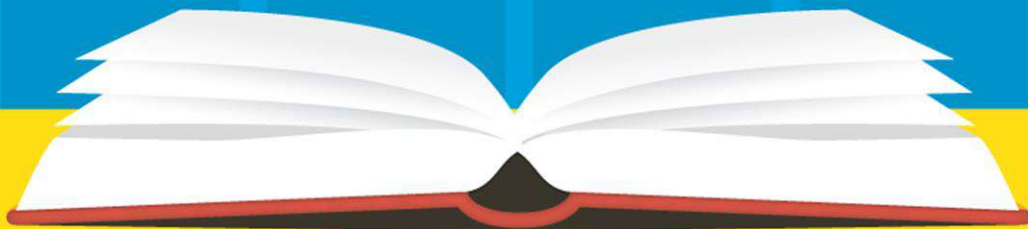

*Solving
problems,
using materials,
designing
and creating,
building*

M

MATH

*Patterning,
sequencing,
exploring shapes,
numbers,
volume and
size*

STEM Education at SPMS: Our STEM goal is to increase the **Technological Literacy** of students and to create learning situations that allow them to explore the **combinations of STEM** needed for **critical thinking and advanced problem solving**.

STEM 1 - Introduction to Technology (8600010):
STEM 1 - Exploration of Robotic Technology (8600070)

ICT 1

ICT 1 introduces students to core concepts associated with computers and their use including safety and privacy practices for online communication. The content includes hands-on opportunities to explore various software applications, such as Microsoft Word, Microsoft PowerPoint, and Pixlr.

Students will earn Digital Tool Certifications for the following topics: Cyber Security, Word Processing, Multimedia, and Computing Essentials.

Rising 6th Grade Elective Form

Elective Forms

- Due at your registration appointment.
 - HCE – 2/25
 - CCE – 2/28
 - TCE – 3/1 – 3/3
- Please rank your elective preferences at the bottom of the form.
- List 1 – 5. You may not receive your 1st or 2nd choice. You are expected to stay in this class for the full year.
- 6th graders only get 1 elective.
 - Intensive classes may take the place of electives, PE, and ICT.

Sixth Grade Elective Sheet

Student Name:	Student Signature:
Parent Name:	Parent Signature:
Elem. School:	Parent phone number:

All Sixth Grade Students will take the following classes (circle Accel, Adv, or Std):

- English Language Arts (Adv / Std)
- Math (Accel / Std)
- Science (Accel / Adv / Std)
- World History (Adv / Std)
- Physical Education
- ICT (computer class)

Please note:

- > Some students will be required to take Intensive Math and/or Intensive Reading depending on FSA scores released over the summer.
- > **Intensive classes take precedence over elective choices.** Students who score a level 1 or 2 on the FSA will be placed in Intensive Reading and/or Math.
- > Some electives do require fair shares.
- > ****Initial placement in advanced classes based on teacher recommendation and scores. Final placement in advanced classes is pending FSA scores released over the summer. High Level 3 on both Reading and Math FSA is required to be placed in advanced courses.

Students may take one of the following electives:

Please rank your preference below (1-5). Mark 1 next to your first choice, 2 next to your second choice, etc.

Rank	Elective	Fair Share
	2D Art	\$10
	Digital Art	\$0
	Student Success Skills	\$0
	Band 1	\$15/month + instrumental rental
	Gifted Elective**	\$0
	STEM 1	\$0
	Drama 1	\$0

**Students must be identified officially as gifted to take this course.

NOTE: We will do our best to accommodate your elective choices, but placement not guaranteed.

Support for Varying Needs

Intensive classes for Reading and / or math

Teachers and students supported by coaches

Individualized attention to skill deficits

Small class size

Utilize programs such as iXL, iReady, Wilson, and Rewards.

Media Center

Our goal is to promote a lifelong love of reading and to encourage inquiry-based learning by providing SPMS students with opportunities, resources, and access to state-of-the-art technologies in order to increase critical thinking and collaboration.

Highlights:

- Author Visits.
- Highest SSYRA middle school participation in St. Johns County.
- Makerspace and Makerspace Weekly challenges .
- Monthly Reading Promotions (Blind Date with a Book, Speed Dating with a Book).
- Collaborative Research lessons.
- One of the Highest book circulation in St. Johns County Schools.
- Access to E books and digital audio books.
- Plans for full use laptop lab and research station for the 2022-2023 school year.

Hello from the Dean's Office!!!!

Dean Puckett and Dean Gibian

What do they do?

- Set and teach behavior expectations.
- Enforce positive behaviors.
- Issue consequences for violations against the Code of Conduct.
- Work with new teachers to manage classroom behaviors.
- Communicate with parents if concerns arise.
- Collaborate with guidance to assist students with personal and/or academic issues.
- Work with Student Resource Officer to ensure student safety.
- Advocate for students when necessary.
- Use restorative discipline strategies to encourage behavior reflection and learning from mistakes.
- Don't forget to get the PBIS Parent App in August to monitor your students positive Raider Bucks.

RAIDER EXPECTATIONS

WE ARE

RESPECTFUL

- We realize that everyone has the right to learn and work to not infringe on that right
- We give attention to the person speaking
- We use electronics only for educational purposes
- We contribute to a positive learning environment
- We value the contributions of all learners
- We actively seek out opportunities to practice kindness on our campus

RESPONSIBLE

- We stay on task
- We ask questions when we do not understand
- We value challenging material
- We show up ready to learn, with our work completed and on time
- We are prepared with the required materials (books, paper, pencils...)

AND

SAFE

- We hold our classmates accountable for their actions by letting an adult know when we see something unsafe
- We are careful with classroom materials
- We keep our hands and feet to ourselves and refrain from running, throwing item and pushing
- We use materials appropriately for their intended purpose
- We foster a learning space that makes every student, regardless of gender, race, ethnicity, or orientation, feel safe and honored within our walls

Raider Expectations

Utilize the Raider Expectations in rewarding student behavior and drive conversations when redirects need to occur.

Don't forget to download the PBIS Parent App in August. More information will be provided then.

Top 7 Ways to be a Successful RAIDER!!!!

- Read
 - Read the newsletters and emails from teachers and administration.
- Allow
 - Allow your child time to adjust to middle school.
- Invest
 - Invest in time everyday to talk to your child about their accomplishments and obligations.
- Discuss
 - Discuss grades with your child using the tools provided such as Schoology and HAC.
- Encourage
 - Encourage your child to not be afraid to talk to their teachers when they have questions.
- Reassure
 - Reassure your child that middle school is not scary, and they will adjust.
- Schoology
 - Schoology is a Must.
