PBMS & PBIS

The PBIS Rewards Student App

As a companion to the PBIS Rewards app, the PBIS Rewards Student App allows students to more fully participate in your PBIS initiative. All they need is to download the app onto a smartphone or log into the student web portal. Students can gain access to their information within the app by entering a QR code generated by their teacher through the PBIS Rewards app or by using one of our Single Sign-On (SSO) options.

What Can Students Do in the PBIS Rewards Student App?

Students have access to a finite number of features within the Student App. They can only view their own information. Within the app or on the web portal, students can:

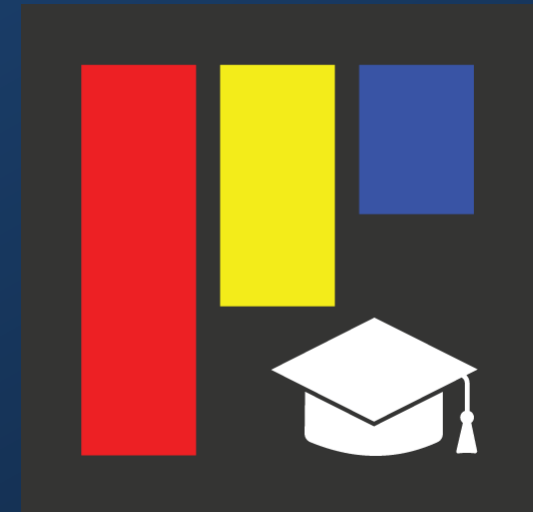

- Check their points balance
- See positive comments from teachers and staff
- View store items and upcoming events
- Purchase items from school or classroom stores (if this feature is enabled by the school)

WHAT IS PBIS?

- ❓ Positive Behavior Interventions & Supports
- ⊕ Encouragement of positive behaviors
- 📖 Teaching and promoting positive behaviors
- 😊 Positive school climate

 **PBIS REWARDS.**
