

## Homework/Assignment

Assignments will either be online or in the workbook. Homework will be assigned every day. There may be some exceptions.

All homework must be **completed and /or attempted** and turned in when instructed to do so. **All work must be shown in pencil, except corrections.**

Late homework or assignments will be accepted at partial credit. Please be advised that the homework determines your understanding of the concepts being taught and serves as a gauge for us.

### Per Board Policy- 2240 - **CONTROVERSIAL ISSUES**

The Board recognizes that a course of study or certain instructional materials may contain content and/or activities that some parents find objectionable. If after careful, personal review of the program lessons and/or materials, a parent indicates to the school that either the content or the activity conflicts with his religious beliefs or value system, the school will consider a written request for his child to be excused from a particular class for specified reasons. The student, however, will not be excused from participating in the course and will be provided alternate learning activities during times of such parent requested absences.
