State of the School **All testing has been completed and results will be sent home. MAP, Fountas and Pinnell (reading levels), Common Formative Assessments (weekly from the district).**

**Still don't have a true baseline due to quarantines and bridge.**

**MAP testing again in January**

**F and P after thanksgiving break (December)**

**F and P testing students read a fiction or non fiction book on their level aloud. Any mistakes are marked and questions are asked about what they've read. It's timed, how many mistakes, fluency and comprehension goes into the total score.**

**The Henry's plan of action is district wide (Please review the strategic plan**

**<https://schoolwires.henry.k12.ga.us/Page/128814>). RSE is a Model School for the strategic plan with support from UVA to work with Principals on school improvement.**

**Pleased with the growth but not satisfied with the data. The goal is to be the highest performing school in the district. Third grade is highest performing in reading\*. Moved from 46% to 64% three years ago and trending in the right direction and growing.**

**RSE has focused teams to work on the trends and help find the root causes.**

**Ola Cluster Feedback Gave information on how all the schools work together in this cluster.**

**Mental Health Wellness Facilitator**

**Mr. Stroup discussed his role at RSE with both students and staff and how to request his services. He described a recent wellness activity with staff.**

**Boosterthon Kick off October 28<sup>th</sup>. Will have the run this year on November 5<sup>th</sup>. Would like Council and PTO to hand out water.**
