

# SCHOOL ADVISORY COUNCIL MEETING

September 21, 2021

6:00pm – Group Projects Room

Join by clicking this link: <https://scps.webex.com/meet/walshal>

## Our Vision

*Lake Mary High School will consciously work to establish a community of engaged educators and learners who will thrive in a safe and supportive environment. In the classroom, teachers will invest in and motivate students to help them achieve their personal best. Students will leave Lake Mary High School with a sense of purpose for their lives, equipped with tools and a plan for how to make an impact beyond high school*

## Our Mission

*Empowering RamNation to Be Responsible, Be Respectful, Be Engaged, and Be the Change we hope to see in the world.*

## Agenda

Welcome- Approve Minutes

Principal's Report-Dr. Reynolds

Student Report

Student Services Report

2021-22 School Improvement Plan-Dr. Fuhrer

Mental Health Lessons

Budget Requests

SAC Membership Elections

*\*Reminder: SAC members are required to register as an SCPS Dividend*

## Dates to Remember

LMHS SAC Meetings – 9/21, 10/19, 11/16, 1/18, 2/15, 3/22, 4/26

9/28: Dividend Coffee Event (10am)

9/28: RAM Connections Mentor Training (11am)

9 Weeks Exams: 10/4, 10/6, 10/7 (modified bell schedules)

ACT School Day: 10/5 (Juniors)

PSAT/SAT School Day: 10/13

LAKE MARY HIGH SCHOOL

SAC MEETING MINUTES

August 31, 2021

▪ **Meeting:**

- On Tuesday, August 31, 2021 members of the Lake Mary High School SAC met at 6:00 p.m. in the LMHS group projects room and on Webex. Dr. Reynolds called the meeting to order at 6:00 p.m. Minutes were approved for the April 20, 2021 meeting by Kelly Blomquist and Judi Schuckman.
- Members present: PARENTS Kelly Blomquist, Alex Bugallo, Laura Cook, Linda Corless, Geri Goldstein, Melissa Ireland, Maxine Jones, Angela Lagos, Tony Lagos, Brenda Lanaris, Jill Minton, Sherry Morgan, Debbie Pappu, Amy Perlstein, Melissa Ross, Lora Sapp, Judi Schuckman, Allison Slater Tate, Erika Wayne, Jenisse Urquia.
- FACULTY: Andrea Fuhrer, Amanda Gaughan, Winnola Grigley, Joe Inbornone, Mickey Reynolds, Dominique Beata, Kari King.
- STUDENTS: Riley Garret, Natalie Boffey, Lucy Martin, Allie Nein, Grace Aldridge.
- Members absent excused: Trenton Schacht, Jill Minton, Vanessa Marshall, Stacy Luna
- Members absent unexcused: Wendy Cornell, Lisa Donovan, Ellen Goldman, Henry Matta, Carolyn Staub, Robert Guy, Rebecca Southworth

Non Members Present- Nancy Afshari, Beth Cursi, Lauren Dias, Amy Lewandowski, Giselle Mery, John Mery, Teresa Paulantonio, Kimberley Phillips, Melinda Toepp

○ **PRINCIPAL'S REPORTS**

○ **Dr Reynolds**

- SAC Purpose- faculty, staff, parents, students and community members advise the Principal on school improvements- use money towards school improvement initiatives, teacher requests, etc.
- Be the Change- over 40 students came out for the Be the Change Open Forum
- State of the School Report- Covid is a challenging time for us- but there is a lot of school spirit.
- Over 2700 students using classroom space
- Over 40 student organizations on campus- students want to get involved!
- Department of Health gives guidelines on who gets quarantined
- School Board Meeting is tomorrow about the mask mandate.
- Teachers are motivated to teach.
- 300 seniors that don't have the required ELA scores to graduate.
- Support our Seniors to get their requirements to graduate.
- Required Testing scores jumped up- they were voted on to be raised to go in effect before Covid hit-
- Trying to make up for learning loss- students who did not do much last year and are now back in the classroom- they have fallen behind.
- School spirit is HIGH
- School fights are up- tardy numbers are up- traffic is bad in the morning- more parents are driving their kids to school because they don't want them on buses- but kids are getting to school late
- Free breakfast in the cafeteria
- Dress code- some violations- teaching good habits
- We are pleased with how school has started.
- Administration has spent a lot of time contact tracing- Covid is at an all time high.
- Mr. Miller went to Hagerty High School
- Rebecca Southworth was hired as his replacement.
- We revised our Vision and Mission statement- it was finalized.
- Accreditation- Accreditation will occur this year in January. Thank you to SAC parents who have assisted so far and know there will be more opportunity.
- Thank you to all the parents who helped with AP Proctor.
- Pep Rallies- in the outdoor stadium- was scheduled for next week- but was just cancelled.

- October 1<sup>st</sup> – will be our 1<sup>st</sup> pep rally- hope to have 2 before the end of the season
- RAM TALKS- Ram Connections- Become a Mentor- 9/28/21 @ 11:00- 12:00 consistency is important- either weekly or bi-weekly.
- SAC members must register as a dividend
- Instagram-big form of social media used to get information out to the student body
- Lots of information is given in the Ram Report- sent out weekly to emails- and on school website
- ACT- Juniors take test on October 5 for free
- SAT- Seniors take test on October 13 for free
- PSAT- Juniors, Sophomores, and Freshman take test on October 13 for free.

#### **SPORTS-**

- Fall Sports have started

#### **STUDENT REPORTS-** Student body

- Natalie Boffey- SGA Student Body President
  - Working on Homecoming
  - 7 New Freshman joined SGA
  - Homecoming parade has been approved for October 29
  - Doing Haunted House again
  - New committee on haunted house standings
  - October 30- Midnight masquerade-
    - Eyes mask- but not Halloween mask
- Grace Aldridge-Senior Class-
  - Working on Halloween- door decorating- competition with 5<sup>th</sup> period classes- Administration will judge it- we will see about prizes- Teachers will decorate- kids can help
  - Powder puff- Dec. 8

Lucy Martin- Juniors

- Homecoming week- spirit

- Allie Nein – Sophomores
- Riley Garret-Freshman Class
  - Freshman elections were last week- can vote online- Freshman- students who ran put flyers around school

#### **Winnola Grigley- Student Services Report-**

- 7 counselors are on staff
- No Seminole connect this year
- Meeting with 9<sup>th</sup> and 10<sup>th</sup> graders to make sure they have the correct credits- meeting in math classes
- Seniors- credit checks will be next week- get them on track so they can graduate and give guidance to their next step
- Juniors- credit checks will be done after
- October 18-22—College and Career Week- may be in person or virtual- not sure yet
- Tutoring- after school on Tuesdays and Thursdays from 2:45- 4:15- we had 27 students come today
- Subjects are- Math- Algebra 1 and Liberal Arts 1- and some other subjects

#### **SCPS AND LMHS Wellness Initiative- Kari King**

Mrs King is the Wellness Coordinator- Have wellness policy at the district level- paid position.

The school gets funds to promote and support wellness initiatives- provide health education.

- 5K- Dr Griffin- free to staff and families- fundraiser
- Goals for the year- put together a Lake Mary cook book for the 40<sup>th</sup> Anniversary
- Trying to get a student on our wellness team to get them involved

#### Parent Information Events

Received a grant for \$10,000.00 for professional development- student and parents training for Mental Health during the school year- help parents understand the topics of Mental Health in young people.

#### Dr Fuhrer- Review Bylaws

Next meeting we will vote in new and old members

Alex Bugallo made a motion to approve the Bylaws. Joe Inbornone seconded. MOTION PASSED.

#### BUDGET

- We have \$39,558.66 in the District/ County Funds Account and Internal Funds Account.

#### Budget Requests-

Federal funds are used for tutoring for first semester-

We will be sending out an email to teachers and staff to apply for grant requests- all grants must go towards school improvement.

- Amy Lewandowski made a motion to adjourn the meeting at 7:18 P.M. Kelly Blomquist seconded. MOTION PASSED.

# *Seminole County Public Schools*

The Mission of the Seminole County Public Schools is to ensure that all students acquire the knowledge, skills, and attitudes to be productive citizens.

## **Lake Mary High School**

### **School Improvement Plan 2021-2022**

---

## Purpose and Outline of the SIP

---

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the Strategic Plan, designed to help district leadership make the necessary connections between school and district system initiatives. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year.

---

## School Information

---

### **Provide the school's mission statement**

Empowering RamNation to Be Responsible, Be Respectful, Be Engaged, and Be the Change we hope to see in the world.

### **Provide the school's vision statement**

Lake Mary High School will consciously work to establish a community of engaged educators and learners who will thrive in a safe and supportive environment. In the classroom, teachers will invest in and motivate students to help them achieve their personal best. Students will leave Lake Mary High School with a sense of purpose for their lives, equipped with tools and a plan for how to make an impact beyond high school.

### **Describe how the school involved parents and the community in developing this plan and how it will be shared with all stakeholders and in a language parents can understand.**

Lake Mary High faculty and staff ascribe to an environment of open, productive communication to uphold all aspects of our mission statement, which is "Empowering RamNation to Be Responsible, Be Respectful, Be Engaged, and Be the Change we hope to see in the world". This mission is a brand for Lake Mary High and is stapled all across the school in a multitude of ways to ensure all students, staff, and community know it. The beliefs behind our purpose are demonstrated in behaviors and decision-making every day through morning announcements, at the football stadium, in front of the school, in each teacher's classroom, and is furthered to the goal of teaching and learning through various avenues. Throughout the 2020-21 school year, Lake Mary High took a comprehensive approach to revising both the vision and mission statements, while also using it as an opportunity to dig deeper on gathering input on the needs of our school. Several sessions were held (8 different sessions) over the course of last school year providing opportunity for internal and external stakeholder groups to build a commitment to the development of the statements. Stakeholders engaged in activities to that provided opportunity for deep discussion, yet a systematic approach to ensure comprehensive feedback that was collected in a systematic way. After all sessions were complete, the leadership team met, reviewed feedback, and engaged in a priority matrix activity to determine priority action items moving forward. The process by which input was collected for the revision of the vision and mission statement was done so strategically so that feedback could also be utilized for the 2021-22 School Improvement Plan. In order to have a systematic process to review, communicate, monitor, and build commitment to this plan, LMHS administration has taken a comprehensive approach to involving all stakeholders. For students, Lake Mary High engages in Be the Change Student Open Forum sessions. At these sessions, students have the opportunity to voice how internal stakeholders can improve in the way of ensuring meaning behind the purpose of Lake Mary High, while ensuring a positive culture for all. Student feedback is shared with leadership to improve practices. For parents and community members, the plan is communicated through multiple venues including the Tell a Ram newsletter (mailed home 5 times per year), the RAM Report (emailed weekly), social media, SAC, and deliberate parent nights which are being implemented in the 2021-22 school year to address common concerns parents have with adolescents.

**Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress.**

---

Lake Mary High School uses a variety of resources to build positive relationships with its community. In light of COVID 19, every effort will be made to ensure all families have communication and connectivity to the school. Families can access information on Lake Mary's website, Facebook page, and Twitter feed. Lake Mary sends out the Tell-a-Ram Newsletter (five times a year), a RAM Report (weekly) and regularly utilizes School Messenger to communicate important information to students, families, and staff. Lake Mary also has a large School Advisory Council (SAC) and active Parent-Teacher-Student Association (PTSA) that brings volunteers onto our campus every week. Families can access their child's attendance and monitor their progress in their classes by using our Skyward Family Access System. Through eCampus, a learning management system, students and parents can keep track of assignments, students can submit assignments and reply and post to student/teacher discussion blogs. Tools in eCampus also allow for auto-generated grading, allowing students to obtain immediate feedback on assignments. Lake Mary hosts College Week every year and offers workshops to prepare parents and students for selecting a college, submitting college applications, and applying for financial aid. Parents and community members participate in the Ram Connections Mentorship Program to monitor our students in need. Lake Mary High is making a concerted effort to ensure equity, and that all families feel a sense of connectivity. As part of this ensuring minority representation among key groups in the school (SGA, PTSA, SAC, etc.) is a priority to ensure all groups have a voice within the school. Lastly, to increase student voice, are strengthening our implementation of Restorative Practices. Teachers engage students in Restorative Practice Circles weekly in order to increase student voice, improve classroom climate, and instructionally assess students as well.

---

## Supportive Environment

---

**Describe how the school addresses building a positive school culture and environment. Include how the school culture and environment will impact positive student experiences. (e.g. PBS supports)**

Ensuring a culture that impacts student experiences in a positive way is a priority for Lake Mary High. Through PBS a comprehensive approach is taken to ensure a positive culture for students and staff. To maintain a student centered approach, leadership engages students in monthly Be the Change Student Open Forum sessions. At these sessions, students have the opportunity to voice how leadership can improve in the way of ensuring meaning behind the purpose of Lake Mary High, while securing a positive culture for all. Each month a different focus topic is determined by students. Student feedback is shared with leadership to improve practices. Our vision statement (also our PBS motto), "Be Responsible, Be Respectful, Be Engaged, Be the Change" is known by all students and staff and is posted all over the school. It is recited each morning on announcements, is displayed over the football field stadium as community members drive by, and is a way of life that is embedded into instructional goals in each classroom. Teachers engage students in Restorative Practice Circles weekly in order to increase student voice, improve classroom climate, and assess instruction. One example of how Restorative Practice Circles are used is through RAM Talks. The RAM Talks serve as an avenue for teachers to engage in meaningful discussion with students regarding the behaviors and beliefs stated in the purpose statement. RAM Talks were an idea that originated from students in the Be the Change Student Open Forums. Each year, teachers engage in dialogue with students on policies, procedures, and student rights. Topics are selected based upon teacher input, student input and discipline data (anti-bullying, anti-harassment, student rights, etc). In addition to these efforts, excelling students and staff are highlighted each month through student of the month and staff of the month. Staff morale is further increased through Staff Shout Outs where specific efforts are highlighted.

**Identify stakeholders and their role in promoting a positive culture and environment at the school. Stakeholder groups may include teachers, students, and families of students, volunteers, and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services, and business partners.**

Lake Mary High School has an extensive Business Partnership and Corporate Sponsorship program, which drives initiatives related to improving school culture. For example, at the beginning of each year, several business partners donate tangible items or monetary gifts that go back to programs like student of the month and staff of the month. In addition, the Be the Change Club encompasses a key group of students that work towards interacting with other clubs on campus to accomplish the goal of emotional safety and inclusiveness on campus. PTSA works extensively to also support this goal, by engaging in initiatives to reward excellence. PTSA organizes "Respectful Rams" where each teacher chooses one hard working student to be rewarded for their excellence with an event and prizes. To increase post secondary support and opportunities, we organize sessions multiple times each month with TRIO through Seminole State College. Seminole State and Trio have been instrumental in advising and mentoring to students who need application assistance or assistance with financial aid. Another key stakeholder group for Lake Mary High is Rotary. Rotary supports our "Graduate with Dignity Program", enabling several students to graduate with their classmates by providing financial support. Some of the students would not have walked because they could not afford their graduation fees, which include their caps, gowns, and graduation announcements. Rotary pays for tuxedos, prom dresses, graduation attire, shoes, etc. Rotary also supports other initiatives at our school, including the food pantry (along with other groups and parents that help run our food pantry which has food for families every Friday to pick up). Lastly, Lake Mary High is proud of the Corporate Sponsorship program that is in place to support athletic programs. Local businesses pay a fee to have their branding endorsed on our athletics fields, raising on average \$90,000 per year. In addition to the Corporate Sponsors program, the Athletics Boosters program raises another \$30,000 per year to help ensure equipment and equitable opportunities for athletic participation. Band and JROTC also have Boosters programs to support funding for their programs.

**Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services.**

---

Every student at Lake Mary High School is assigned to one of our school counselors who meet regularly with their students to monitor their progress through credit checks. Lake Mary also has a New Horizons Counselor who provides mental health support for students who have significant needs on campus. In addition, Lake Mary is assigned a district licensed mental health counselor and social worker who work with students in need each week. Through a generous parent donation, our new "RAM Student Lounge" (a safe space) is being staffed by a full time social worker for students to visit throughout the day. LMHS was also awarded the BJA STOP Bullying Grant. The purpose of this initiative is to provide support and technical assistance to Lake Mary High School on bullying intervention. Through this, LMHS addresses anti-bullying through a three tiered approach: 1. Group Counseling (separate groups for suspected victims and suspected perpetrators); 2. Public Service Announcements/Strategies for Promoting Bully Prevention; and 3. Professional Development to staff. A number of faculty and staff members on campus also volunteer to advocate for students who are at-risk through our Ram Initiative Program. Additionally, all students will participate in online, interactive Mental Health Wellness Lessons that focus on substance abuse, self-care, and mental wellness. Through the Positive Behavior Supports initiative, students, staff, and administration use a phrase "Be Responsible, Be Respectful, Be Engaged, Be the Change". The Positive Behavior Supports team is focused on ensuring expectations are learned by emphasizing the positive choices students make. When students continue to struggle with social/emotional development, they are linked to other intervention related programs, such as MTSS (Multi-Tiered System of Supports). Students in MTSS undergo an extensive problem solving process and are linked to services based upon the root cause of academic or social/emotional barriers. The MTSS team meets every week for two hours to address student needs. Furthermore, students meet with administration monthly through the "Be the Change" Student Open Forum. In this venue, they have the opportunity to have a voice on changes they hope to see within the school. Topics include anti-bullying, cyber-bullying, mental health, school safety, cultural sensitivity, and LGBTQ awareness. Finally, Lake Mary High School offers and has expanded upon Freshmen Success for students who are identified as at-risk to provide academic support as well as a social-emotional curriculum. Freshmen who continue to struggle are paired with an outside mentor who meets with them on a weekly basis.

**List the members of the leadership team.**

## Student Transition and Readiness

---

### College and Career Readiness

**Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations.**

School Counselors are accessible to meet with students and parents on questions they have about future college opportunities and the admissions process. Lake Mary also allows local colleges and universities to come into our school so that students can meet with their representatives on campus. Lake Mary High School will also have a College Week where the school will host a variety of events pertaining to college so that students can get information about applying for college and completing a FAFSA. Additionally, Lake Mary High School works with local businesses and community members to increase college and career awareness in students. This is accomplished by inviting business partners and corporate sponsors to share information about their careers through the Teach-In event. In addition to college readiness, students can obtain industry certifications in multiple areas. Some of our more specialized programs include Manufacturing, Technical Design, Law, and Forensics. The manufacturing program partners with the Space Coast Apprenticeship Program to create internship opportunities in advanced manufacturing. The Technical Design and Advanced Manufacturing program also partners with NASA to provide students experience in creating hardware parts in a prototype lab setting. Also, Forensics and Technical Drawing programs partner with Seminole State College to offer Dual Enrollment classes to students in the program. Students are given the opportunity to take their first Dual Enrollment course on campus, Life and Career Planning, taught by Lake Mary High School's faculty members. Further, Seminole State puts on a 'law day' where students get to speak with attorneys and observe the litigation process.

**Identify the career and technical education programs available to students and industry or community organizations.**

The Career and Technical Education programs at Lake Mary are Digital Design, Web Development, Drafting and Illustrative Design, Television Productions, Commercial Photography, Automation and Production, Building Trades and Construction, Early Childhood Education, and Food Preparation. Students can earn certifications for successful completion of both the course and industry certification testing in the following areas: 1. Digital Design: Adobe Certified Associate in Photoshop, InDesign, Illustrator, Anime, and Premiere 2. Web Development: Adobe Certified Associate in Photoshop, Dreamweaver, and Flash 3. Drafting & Illustrative Design: Autodesk Certified User 4. TV Production: CIW Social Media Strategist 5. Commercial Photography Technology: Adobe Certified Associate in Photoshop 6. Automation and Production: NIMS Certification 7. Introduction to Information Technology (IIT): CompTIA+ Fundamentals 8. Early Childhood Education: ServSafe Certification 9. Building Trades and Construction: HBI PACT Certification 10. Nutrition and Food Science: ServSafe Certification

## High School Essential Instructional Priorities

### Essential Instructional Priority #1: Quality Instruction

All Seminole County Public Schools will strive for excellence in English/Language Arts, Mathematics and Science based on the current Florida Department of Education A+ Accountability Program.

- A. Lessons aligned to Florida/B.E.S.T./Next Generation Sunshine State Standards at the appropriate level of complexity
- B. Ongoing feedback loop between leadership and teacher, students and teachers and student with students
- C. PLC focused on data, instructional planning and student evidence of learning

*All SCPS schools serving K-8 students have an Early Warning system in place that is in compliance with s. 1001.42(18)(b), F.S.; SCPS academic intervention/support programs and/or dropout prevention programs reflected per s. 1003.53(2)(b), F.S.*

*\*All data targets are reported as percentages with the exception of 5E data targets, which are reported as scale scores.*

### Student Owned Progress Monitoring Action Plan

<b>Strategy/ Action Item</b>	<b>Person(s) Responsible</b>	<b>Deliverable Due Date</b>	<b>PD (Y/N)</b>	<b>When will this action take place?</b>	<b>What evidence will there be to reflect monitoring for this strategy?</b>
Students identified in middle school as needing higher levels of support (transition students) are enrolled in a Freshmen Success course. In this course, student progress are closely tracked by the teacher. Students work on various life skills to help them be successful, targeting both social/emotional development and academic achievement. Teacher assists students in developing a four year plan and monitors their grades by calculating their Grade Point Average (GPA) on a consistent and systematic basis.	Joel Ortiz (teacher), Tom Oliver	September 2021	Y	Weekly	Grades/Progress Monitoring, Grade Point Average, and Tracking Sheet
Mathematics teachers use standards based grading (Geometry, Algebra 2, AP Calculus) so that students can track their progress and remediate standards in order to demonstrate mastery.	Michael Hennessy and Mathematics Teachers	September 2021	Y	Weekly	Performance on standards based assessments (tests, quizzes, and other formative assessments), and common assessments, STAR assessments

---

---

Teachers have students reflect on individual assessment data (both formative and summative assessments) that include standards based assessments, common assessments, FSA levels, STAR scores, PSAT/SAT scores, and lexile scores. Teachers adjust instruction based upon data and hold individual conferences with students as a form of progress monitoring.	Melisa Ayala-Cruz, Tom Oliver, Melissa Flory, Michael Hennessy, and Teachers	September 2021	Y	Monthly	Achieve 3000 Reports, PSAT scores, Student Progress Monitoring/Grades, Standards Based Assessments, STAR Assessments
--	--	----------------	---	---------	--

---

A PLC instructional team served as advisors to develop a three year action plan to increase instructional strategies and planning in PLCs, that go back to student owned progress monitoring. Schoolwide implementation of PLC expectations that include targeting 3-5 standards per unit of instruction to write student-friendly learning targets and develop common assessments.	Mickey Reynolds, All Assistant Principals, PLC Instructional Team Members (Rebecca Devor, Jessica Furiosi, Rebecca Southworth, Paige Baker, Natalia Remolina)	August 2021	Y	Weekly	Midyear PLC Review, Achieve 3000 Reports, PSAT scores, Student Progress Monitoring/Grades, Standards Based Assessments, STAR Assessments
---	---	-------------	---	--------	--

---

After undergoing a book study in the 2020-21 school year on "Giving Students a Say. Smarter Assessment Practices", administrators and curriculum leaders will lead teachers in focusing on assessment practices that empower and engage students in their learning.	Administrators, Curriculum Leaders	August 2021	Y	Monthly	Midyear PLC Review, Achieve 3000 Reports, PSAT scores, Student Progress Monitoring/Grades, Standards Based Assessments, STAR Assessments

---

## Low 30% Monitoring Action Plan

Strategy/ Action	Person(s) Responsible	Deliverable Due Date	PD (Y/N)	When will this action take place?	What evidence will there be to reflect monitoring for this strategy?
To progress monitor students reading skills and provide intervention based upon skill deficits, Grade 9, 10, 11 English Language Arts teachers and 12th Grade reading teachers will be administrating the Renaissance-STAR Assessment for students who did not have FSA scores last year.	ELA Teachers, Melisa Ayala-Cruz	September 2021	Y	Monthly	Star Assessments, Student Grades/Progress Monitoring
Administrators will meet with teachers (in Professional Learning Communities and individually) to have data chats in order to monitor students' progress in their individual classes. Common planning allows for PLCs to analyze data and adjust instruction as appropriate.	Administrators and Teachers	September 2021	Y	Monthly	Agendas, Progress Monitoring Data/Grades, Common Assessments, Performance on Standards Based Assessments
Tutoring is provided on Tuesdays and Thursdays after school by certified teachers and students in the Mu Alpha Theta Club. In addition, transportation from tutoring will be offered to students in specific residential areas, based upon need.	Tom Oliver, Winnola Grigley, and select teachers	September 2021	N	Weekly	Tutoring Attendance Logs, Student Grades/Progress Monitoring

---

Achieve 3000 is used in intensive reading classes for grades 9 through 11 to target specific reading deficits and supplement instruction for students who are in intensive reading classes.

## Optional Action Plan

Topic/ Item	Strategy/ Action Item	Person(s) Responsible	Deliverable Due Date	PD (Y/N)	When will this action take place?	What evidence will there be to reflect monitoring for this strategy?
Using Restorative Practice Circles to Assess Students	<p>In an effort to empower and engage students through improved relationships and deepen instructional assessment, teachers utilize Restorative Practice Circles. This approach can be used not only to build relationships, but to assess student mastery of content. All staff have undergone professional development to implement this practice in a way that will be meaningful to students and focused on both achievement and building a positive classroom culture.</p>	Assistant Principals, Teachers	September 2021	Y	Weekly	Classroom Walkthroughs, Exit Tickets, Teacher Created Formative Assessments
Quality Instruction-Mathematics	<p>In Geometry, a construction teacher who is also certified in math teaches two sections of Geometry where students do real world application of geometry in the realm of construction. Students were selected based upon interest in construction. Students in Math for College Readiness have a high level focus first semester on PSAT pre in order to meet concordant scores for graduation.</p>	Michael Hennessy and Math Teachers	September 2021	Y	weekly	Student Progress Monitoring Data, Standard Based Assessments, STAR Assessments, C9A data

## High School Essential Instructional Priorities

### Essential Instructional Priority #2: Conditions for Learning

The district has identified the conditions for learning as physical safety, student wellness, attendance, teacher-student relationships, social-emotional learning and student conduct. System focus on continuous improvement of these conditions will benefit student learning.

- A. Cultivation of positive, appropriate relationships resulting in increasing engagement of all students
- B. Development of a student centered culture
- C. Continued focus on campus safety and building a culture of respect
- D. Sharing collective responsibility for the success of all students in the school

## Essential Instructional Priority 2 – Conditions for Learning

### Attendance Monitoring Action Plan

Strategy/ Action	Person(s) Responsible	Deliverable Due Date	PD (Y/N)	When will this action take place?	What evidence will there be to reflect monitoring for this strategy?
Teachers will take attendance at the beginning of every class period. When students are exhibiting a pattern of non-attendance, the teacher will contact home, and if needed refer student to MTSS.	Administrators, Teachers, Counselors, Tom Oliver, Andrea Fuhrer	September 2021	Y	Weekly	Overall Attendance Data, Records of Communication to Families, MTSS Details
When students exhibit a pattern of non-attendance, parents will receive letters informing them of legal requirements for student to attend school. Families will receive letters after 5 unexcused absences and will receive another one after 10 unexcused absences. In addition, in an effort to encourage attendance, credit will be denied after 10 unexcused absences in a semester.	Administrators, Tom Oliver, Social Worker, Clerical Staff	September 2021	N	Weekly	Attendance Reports, Attendance Letters, Credit Denial Reports
When students exhibit excessive absences, teachers will contact parent/guardian. If student continues to exhibit a pattern of non attendance, student will be referred to the MTSS team and social worker for interventions. Teachers have access to a link where they refer students of concern to MTSS.	Administrators, Tom Oliver, Andrea Fuhrer, MTSS Team Members, Counselors, Teachers	September 2021	N	Weekly	Attendance, Grades, Teacher MTSS Referrals

## Safety Survey Action Plan

<b>Topic Item</b>	<b>Strategy/ Action</b>	<b>Person(s) Responsible</b>	<b>Deliverable Due Date</b>	<b>PD (Y/N)</b>	<b>When will this action take place?</b>	<b>What evidence will there be to reflect monitoring for this strategy?</b>
Student's Awareness of Hard Corners	Students will be educated to ensure each student in every class and setting during transition time has an awareness of hard corners by which if there was a threat students would not be visible from hallways, windows or door openings.	School Resource Officers, All administrators, Teachers	08/27/2021	Y	Monthly	Professional Development, Videos, Announcements
Bathroom Safety	Bathrooms will be strategically monitored during class transition and during class time by designated administrators and security personnel.	All administrators, all security officers	8/10/2021	N	Daily	Monthly Safe Team Meetings, Discipline Referral Data (specifically skipping), Supervision Responsibilities Worksheet
Secure Campus Perimeter	Training to staff and students on questioning individuals that do not have name tags, or could be trespassing on campus. To include secure perimeter(doors secured, not propped open) and all are trained that every single person should enter through the front of the school (not through the gate). ## High School Essential Instructional Priorities

### Essential Instructional Priority #3: Skills for Future Ready Graduates

Seminole County Public Schools will prepare each student for academic and job related success in the 21<sup>st</sup> century by offering rigorous learning environments.

- A. Schools will provide advanced academic courses and academic support to Advanced Opportunities students.
- B. All students will have access to courses through Advanced Placement, International Baccalaureate, dual enrollment and industry certification that can lead to post-secondary credit.
- C. High Schools will prepare and support all students to graduate with their age-appropriate cohort.

*SCPS high schools review feedback reports on graduation rate, acceleration and post-secondary success per s. 1008.37(4), F.S.*

### 12th Grade - Action Plan for Increasing Proficiency in ELA

#### Current Percent Proficient and/or Achieved a Concordant Score - 69%

Strategy/ Action Item	Person(s) Responsible	Deliverable Due Date	PD (Y/N)	When will this action take place?	What evidence will there be to reflect monitoring for this strategy?
SAT/ACT preparation will be embedded into instruction in all 11th /12th grade English classes	Melisa Ayala-Cruz, ELA Teachers	October 12	Yes	Weekly	Weekly walkthroughs, PLC logs, and review of student performance data on SAT/ACT prep
In order to target skill deficits for seniors who have not met concordant reading scores, 75 students will be scheduled in a double block reading/English with an intensive reading teacher (Mrs. Sanders).	Melisa Ayala-Cruz, Brittany Sanders, Counselors	August 2021	N	Daily	STAR Assessment, Grades/Progress Monitoring Data
Students will track their assessment data on SAT/ACT practice tests.	Melisa Ayala-Cruz and ELA Teachers	December 2021	N	Daily	Student data sheets and teacher charts

## 12th Grade - Action Plan for Increasing Proficiency/Concordancy in Math

### Current Percent Proficient and/or Achieved a Concordant Score - 84%

Strategy/ Action Item	Person(s) Responsible	Deliverable Due Date	PD (Y/N)	When will this action take place?	What evidence will there be to reflect monitoring for this strategy?
Scheduling: Schedule students who haven't passed or earned a concordant score into Math for College Readiness. Schedule Level 1 math juniors and seniors into Intensive Math	Tom Oliver and Michael Hennessy	August 2021	N	One time-before the start of school	Student assessment scores and schedules
Math for College Readiness teachers will embed SAT prep into their courses during first quarter, Geometry prep into second quarter, and back to SAT prep for third quarter.	Michael Hennessy and Math Teachers	August 2021	N	Weekly	Math for College Readiness teachers will require students to track their performance data on test prep, and Mr. Hennessy will regularly check for compliance.
Liberal Arts 1 will have professional learning community meetings (PLCs) with Math for College Readiness teachers to assist with MCR implementation of SAT Prep. Math for College Readiness teachers will embed SAT prep into their courses during first quarter, Geometry prep into second quarter, and back to SAT prep for third quarter	Michael Hennessy and Math Teachers	September 2021	Y	Monthly	MCR teachers will require students to track their performance data on test prep, and Mr. Hennessy will regularly check for compliance. PLC will turn in PLC log, including notes, to Mr. Hennessy so that he can track their meetings and resulting action items.

## Proactive Approaches for Proficiency/Concordancy - Grades 9-11

Strategy/ Action Item	Person(s) Responsible	Deliverable Due Date	PD (Y/N)	When will this action take place?	What evidence will there be to reflect monitoring for this strategy?
IXL software licenses were purchased for all 9th and 10th grade students. All 9th and 10th grade English teachers will utilize this adaptive software with their students to ensure individualized skill development.	Melisa Ayala-Cruz and Mickey Reynolds	Licenses purchased by July 19 and implementation is ongoing	Y	9th and 10th grade students will complete online lessons once a week during English classes.	Data reports generated by the software program.
11th grade English teachers met with their PLC for two days over summer to adapt their lesson plans to include a focus on SAT prep.	Melisa Ayala-Cruz	August 2021	Y	Initial PLC planning will take place over summer and continue on a monthly basis during school year.	PLC logs and notes and student performance data on practice SAT tests.
Schoolwide implementation of PLC expectations that include targeting 3-5 standards per unit of instruction to write student-friendly learning targets and develop common assessments.	Mickey Reynolds, Tom Oliver, Melissa Flory, Michael Hennessy, Melisa Ayala-Cruz	May 2022	Y	Initial training will take place during pre-planning and then PLCs will be required to meet at least once per month.	PLC logs and notes, common assessments, and review of student performance data on those assessments

**FUNDING AND OTHER ITEMS OF SIGNIFICANCE NEEDED TO DEVELOP YOUR SCHOOL'S PLAN - Please consider any additional funding that may be necessary to make your plan work.**

---

Principal applied for and received ESSER funds to pay for summer initiatives to increase engagement and achievement (Advanced Opportunities, Life and Career Planning, and Camp Excellence teachers for their summer instruction as well as to pay teachers who staff our twice-weekly tutoring sessions during the fall semester). Principal will need to tap additional funding resources to pay teachers for tutoring sessions for the entire school year and to purchase the IXL software, which is costing just over \$12,000.00.

---

## Every Student Succeeds Act Instructional Priorities

---

The Every Student Succeeds Act (ESSA) was enacted by the US Department of Education in 2015 requiring each state to have a plan for ensuring the achievement of all students. ESSA requires the calculation of Federal Percent of Points Index (FPPI) that measures academic achievement of student subgroups. Florida's FPPI includes student achievement data associated with the Florida Accountability school grade components and English Language Proficiency progress as measured by the ACCESS for English Language Learners 2.0 assessment.

Schools with subgroups scoring below 42% of the points possible on the FPPI, must develop targeted support plans to accelerate learning for students in these subgroups.

*See data points in Quality Instruction for the subgroups listed below.*

### **School has a subgroup scoring below 42% on the FPPI**

### 2nd Finding

Students with disabilities

Strategy/ Action Item	Person(s) Responsible	Deliverable Due Date	PD (Y/N)	When will this action take place?	What evidence will there be to reflect monitoring for this strategy?
The role of the IEP case manager is being redefined whereby IEP case managers' support to students is largely focused on more individualized needs of students as determined by data.	Tom Oliver	August 2021	Y	Monthly	Student Progress Monitoring Data, IEP Progress Monitoring, Support Facilitation Logs
Additional district staffing allocation of the Staffing Resource Specialist as Lake Mary High full time (as opposed to part time) to serve students on the continuum of needs in an inclusive education model.	Tom Oliver	August 2021	Y	Monthly	Grades/Progress Monitoring, Performance on common assessments
Additional district support will be provided by the Comprehensive Coordinated Early Intervening Services (CCEIS) to provide support based on the needs of students. These supports include, but are not limited to, Trauma-Informed Practices, MTSS Support, Equity & Inclusion, Social/Emotional Learning, Restorative Practice and Curriculum/Instruction.	Administration	May 2022	N	Quarterly	Grades/Progress Monitoring, Performance on common assessments, MTSS Referrals

## **How will your school's culture and environment be monitored through the lens of behavior or discipline data?**

---

Targeted discipline infractions will be addressed through restorative conferences (as part of the Restorative Action Plan). Discipline Data are reviewed by administration on a monthly basis and adjustments to discipline procedures will be made based upon this data. In addition, each month the SAFE Team (all administration, security, and school resource officers) meets to review safety plans in the school and examine ways to reduce high frequency infractions. The Threat Assessment Team (Discipline Administrators, Principal, School Social Worker, Licensed Mental Health Counselor, and School Resource Officers) meet to review specific students of concern and further examine school procedures related to potential threats. To minimize the number of discipline infractions and create meaningful learning opportunities for students, the discipline team also holds Discipline Roundtable sessions with teachers where they collectively collaborative on discipline data and reflect on ways to improve discipline procedures and positive behavior supports (PBS). LMHS makes a concerted effort to ensure all students are informed of the SCPS Discipline Code of Conduct and can engage in discussion with teachers in order to embody social responsibility for the policies. Based upon discipline data, administration identified high frequency discipline infractions. Through "Ram Talks" students review policies related to these infractions (vaping, skipping, etc.) and engage in meaningful discussion with their teacher through a restorative practice model. Be the Change is an initiative at Lake Mary High School that is focused on empowering students to ensure a positive school culture where all students feel safe, not only physically, but also emotionally. Be the Change Student Open Forums are held each month where students are able to bring up concerns in the school and be a part of creating solutions. Topics have been selected by students and include the following: inclusion of students with disabilities, ensuring a sense of belonging, anti-bullying, anti-racism, cultural sensitivity, conflict resolution, and LGBTQ acceptance. Lastly, Lake Mary High School maintains a commitment to engaging the school community in its shared purpose by upholding the school motto Be Responsible Be Respectful Be Engaged Be the Change. Lake Mary showcases this important mission all over the school. This PBS Poster hangs in every classroom, is recited each morning on announcements, is displayed over the football field stadium a community members drive by.

---

## Essential Instructional Priorities

---

### Best Practices for Inclusive Education (BPIE)

- A. Supports implementation of improved inclusive practices for students with disabilities
- B. Designed to identify priority needs and organize resources
- C. Supports development of short and long term improvement strategies
- D. Aligns with the district level BPIE

*Once every 3 years, each school shall complete a Best Practices in Inclusive Education (BPIE) assessment and include improvement efforts in the school district's exceptional student education policies and procedures. The due date of the new BPIE is 3 years of less from the written date. § 1003.57, Florida Statutes*

## Action Plan

### Indicator 1

Administrators communicate expectations for all personnel to share responsibility for all students. (Indicator #7)

Strategy/ Action Item 1	Person(s) Responsible	Deliverable Due Date	PD (Y/N)	When will this action take place?	What evidence will there be to reflect monitoring for this strategy?
Master schedule reflects Support Facilitation teachers sharing common plan periods in targeted PLCs and almost all of the following subject areas: English 9-12, Biology, Algebra 1, Geometry so that teachers can collaboratively analyze data, reflect, and plan lessons.	Tom Oliver, Teachers	August 2021	Y	Weekly	Student Progress Monitoring Data, IEP Progress Monitoring, Support Facilitation Logs
School leadership models shared responsibility for all students by spearheading programs to support school wide inclusion. For example, Peer Connectors and PIT Crew programs are implemented with an intentional focus of ensuring inclusion is part of the school culture. Through Peer Connectors, targeted upperclassmen are paired with struggling freshmen and assist them with navigating high school (both academically and socially). Through PIT Crew, general education students work in classrooms with students who have disabilities to enhance learning and social skill development. Students with disabilities have access to the entire campus and all courses.	Tom Oliver, Teachers	August 2021	Y	weekly	Student Progress Monitoring Data, IEP Progress Monitoring, Support Facilitation Logs
Teachers receive continued professional development related to differentiating between accommodations and modifications for students with disabilities, and how these should be effectively implemented in the delivery of instruction.	Tom Oliver, Mary Lief, Melissa Flory	August 2021	Y	Quarterly	Student Progress Monitoring Data, IEP Progress Monitoring, Support Facilitation Logs

---

**Indicator 2**

School administrators communicate expectations for all school personnel to use person first language in all written and verbal communications (Indicator #9)

---

Strategy/ Action Item	Person(s) Responsible	Deliverable Due Date	PD (Y/N)	When will this action take place?	What evidence will there be to reflect monitoring for this strategy?
In order to ensure that all staff use person first language, literature and documents are provided to faculty and staff by Florida Inclusion Network (FIN) that promote the importance of using person first language.	Tom Oliver, Mary Lief	May 2022	Y	Quarterly	Student Progress Monitoring Data, IEP Progress Monitoring, Support Facilitation Logs

---

### Indicator 3

Special, electives and career technical education (CTE) teachers have regularly scheduled opportunities to consult with special education teachers and related service providers to implement strategies that support the learning of all SWDs in their classes. (Indicator #18)

Strategy/ Action Item	Person(s) Responsible	Deliverable Due Date	PD (Y/N)	When will this action take place?	What evidence will there be to reflect monitoring for this strategy?
Administrators evaluate the progress of students with disabilities and adjust action plans to determine specific professional development needs and supporting resources for departments and PLCs. It is also ensured that all teachers are providing accommodations, modifications and delivering strategies to ensure student mastery.	Tom Oliver, ESE Teachers, All Teachers	May 2022	Y	Monthly	Grades, common assessments, GPA/progress monitoring, data on IEP goal progress
A meeting/consultation opportunity for ESE teachers and elective teachers will occur as needed whereby special, electives, and career technical education teachers can meet with special education teachers and related service providers for the purpose of ensuring strategies are implemented to support the learning of students with disabilities.	Tom Oliver, Mary Lief, CTE teachers, ESE teachers	May 2022	Y	Quarterly	IEP consultation logs, record of accommodations and modifications offered by general education teachers, student progress on common assessments, progress monitoring, and GPA

## Professional Development Plan

PD Activity	SIP Priority	Date or Schedule	Impact on improved instruction and use of assessment data	PD Participants	# Anticipated Participants	Position(s) Responsible
Professional Learning Committees	1-3	8/2021 – 5/2022	Instructional planning, Data analysis, interventions, assistance to new teachers	All teachers	165	Administration
Cadre and School-Based Instructional Rounds	1	9/21, 10/21,11/21, 2/22, 3/22, 4/22	Learning through observation, identifying best practices, interrater reliability, understanding the instructional model and how to move teachers to greater success	Administrators	10	Administration
Solution Tree PLC Conference	1	6/14/21 - 6/17/2021	Participants left with a better understanding of the purpose and function of PLCs. Teachers also created 1,2, and 3 years PLC goals to be implemented schoolwide. All information was presented during pre-plan week.	Principal, SAM, teachers	10	Administration
Restorative Practice Trainings – Day 1 and Day 2	2	8/05/2021, 1/04/2022	Through this approach relationships between teachers/staff and students are restored so students can feel safe and productive in the school environment. Day 2 training demonstrates restorative circles and how to give students a voice within the classroom.	Faculty and staff	200	Administration

PSAT/SAT Informational Meeting	1,3	October 2021	Faculty and staff will obtain information on how to ensure a suitable testing environment for students while proctoring PSAT/SAT and how to use the test to help students be prepared for their goals.	Faculty & Staff	220	Administration
--------------------------------	-----	--------------	--	-----------------	-----	----------------

---

Mental Health Trainings	2	One per quarter 9/29, 11/10	Understanding the Baker Act, WRAP for Teachers (Wellness Recovery Action Plan) and understanding their role in helping students. Second Semester topics TBD.	Teachers, Staff optional	165	Administration
-------------------------	---	-----------------------------	--	--------------------------	-----	----------------

## Lake Mary High School

### Teacher Guide for Mental Health Lessons 2021-22

#### Objective

Florida Statute requires all students undergo five hours of mental health curriculum annually. To meet this requirement, students will engage in 30 mini lessons (approximately 10 minutes per lesson) embedded into instructional time.

#### Instructions

The following link will be needed to access all lessons. Teachers will need to be signed into their google drive to access and will need to be logged into Nearpod for the link to work. The teacher should review each lesson in advance.

Access Lessons Here: <https://sites.google.com/myscps.us/scpsmentalhealthedu/home>

#### Window of Dates

October 11-November 9

*Lessons will be integrated into each block period mainly on Mondays and Tuesdays. If there is a disruption to your class (for example testing) the teacher can schedule the lesson for another day that same week for that period.*

#### Teacher Checklist

- Ensure you are using the Nearpod Code assigned by each lesson (these codes are for teachers, not students because there is a maximum capacity that will lock everyone out when over utilized!).
- Ensure each lesson is previewed in advance
- Ensure teacher's sound is working while presenting
- At the completion of all lessons, teacher must ensure each student completes the final exit ticket (on November 9<sup>th</sup> during 6<sup>th</sup> period). This serves as validation that all lessons have been complete. The district monitors based upon completion of this final exit ticket. To complete this, students must be logged into their SCPS account and SCPS google drive.

#### Teacher Guidelines

- Personal stories should not be shared from teachers or students.
- When students request information that is beyond the scope of our curriculum, they will be referred to the school counselor for their school or the district Mental Health Program Specialist.
- Because of the nature of this instruction, guest speakers are not allowed.
- Supplemental materials, videos, etc. may not be used in the program without prior written permission from the district office.
- A question box is suggested so that the instructor can screen the questions before responding.

#### Suggestions for projecting lessons to class to complete as a group:

- These lessons should be teacher directed (not self-paced).
- For Nearpods that visit a website, take some time to share the website on the projector, read the information together, and point out interesting facts.
- For Nearpods that require students to journal, encourage them to take out a sheet of paper and answer the prompts individually. They can submit these to you at the end of the activity or keep for themselves.
- Many slides have activities such as quizzes, short questions, or matching activities. On these slides, plan to ask your class to answer the quizzes and share their thoughts on the questions.

## Lake Mary High School

### Teacher Guide for Mental Health Lessons 2021-22

#### Schedule

*Every teacher will facilitate the designated lesson during the designated day and period.*

**Theme 1:** National Anti-Bullying Month (October)-Bullying, Social Media, Self-Care (10/11-10/19)

**Theme 2:** Red Ribbon Week-Substance Abuse (10/25-10/28)

**Theme 3:** A Deeper Dive into Mental Health (11/1-11/9)

**Teachers will access each lesson through Nearpod using the code below** (do not allow student to utilize the self-paced option because Nearpod has a maximum capacity and it will lock everyone out of the system once this is reached).

Lesson	Day	Theme	Nearpod Code to Access Lesson
Lesson #1: Introduction: You Matter	October 11 (1 <sup>st</sup> Period)	1	
Lesson #2: SCPS Mental Health Services Overview	October 11 (3 <sup>rd</sup> Period)	1	
Lesson #9: Bullying and Kindness	October 11 (5 <sup>th</sup> Period)	1	
Lesson # 14: Healthy Relationships	October 12 (2 <sup>nd</sup> Period)	1	
Lesson #15: Mental Health: Risk and Protective Factors	October 12 (4 <sup>th</sup> Period)	1	
Lesson #16: Introduction to Self-Care	October 12 (6 <sup>th</sup> Period)	1	
Lesson #17: Self-Care Wheel	October 18 (1 <sup>st</sup> Period)	1	
Lesson #18: Coping with Stress	October 18 (3 <sup>rd</sup> Period)	1	
Lesson #19: Prevention and Healthy Coping Skills	October 18 (5 <sup>th</sup> Period)	1	
Lesson #20: Self-Care Action Plan	October 19 (2 <sup>nd</sup> Period)	1	
Lesson #23: How to Prevent Social Media From Affecting Mental Health	October 19 (4 <sup>th</sup> Period)	1	
Lesson #24: What is Substance Abuse?	October 25 (1 <sup>st</sup> Period)	2	
Lesson #25b: Teen Substance Abuse #1 High School	October 25 (3 <sup>rd</sup> Period)	2	
Lesson #26: Teen Substance Abuse #2	October 25 (5 <sup>th</sup> Period)	2	
Lesson #27: Prevention of Vaping	October 26 (2 <sup>nd</sup> Period)	2	
Lesson #28: Marijuana Abuse	October 26 (4 <sup>th</sup> Period)	2	
Lesson #29: Alcohol Misuse	October 26 (6 <sup>th</sup> Period)	2	
Lesson #30: Prescription Drug Abuse	October 28 (1 <sup>st</sup> Period)	2	
Lesson #3: Reducing Mental Health Stigma	November 1 (1 <sup>st</sup> Period)	3	
Lesson #4a: Mental Health Stigma #2	November 1 (3 <sup>rd</sup> Period)	3	
Lesson #5: Signs and Symptoms	November 1 (5 <sup>th</sup> Period)	3	
Lesson #6b: Anxiety and Depression	November 2 (2 <sup>nd</sup> Period)	3	
Lesson #7b: Schizophrenia and Bipolar	November 2 (4 <sup>th</sup> Period)	3	
Lesson #8a: ADHD and Eating Disorders	November 2 (6 <sup>th</sup> Period)	3	
Lesson #10a: Daily Anxiety v. Anxiety Disorder	November 8 (1 <sup>st</sup> Period)	3	
Lesson #11: How to Manage Stress & Anxiety	November 8 (3 <sup>rd</sup> Period)	3	
Lesson #12: Mental Health, Self-Diagnosis, Toxic Positivity	November 8 (5 <sup>th</sup> Period)	3	
Lesson #13: Intro to ACES (Adverse Childhood Experiences)	November 9 (2 <sup>nd</sup> Period)	3	
Lesson #21A: Suicide Prevention at School	November 9 (4 <sup>th</sup> Period)	3	
Lesson #22: What Do I Do If I Am Worried About Someone's Mental Health?	November 9 (6 <sup>th</sup> Period)	3	
Each student must complete final exit ticket	November 9 (6 <sup>th</sup> Period)	<i>Students <b>MUST</b> be logged in SCPS Google account to complete</i>	

*\*Lessons are only supposed to take 10 minutes, but plan for 20 minutes per lesson just in case.*

**LAKE MARY HIGH SCHOOL  
SCHOOL ADVISORY COUNCIL  
Request for Funds**

**Department:** Social Studies

**Contact Person:** Michele Dershimer

**Total Funds Requested: up to \$1000. This is a resubmission. I received the money last year and gave it back because we were unable to go to the museums.**

**Date of Proposal:** 9/13/21

**Fund Request Description: Cost of Bus for FT to the Dali Museum the St. Pete Art Museum, and the Chihuly hot shop in ST. Pete for APAH and Hum2. Charter bus for the day is approximately \$1000.00**

**A. Statement of Need – Please check those items that best describe the need for this program.**

- High risk population in my class (school)
- Skill deficiencies
- Enhancement for regular curriculum
- Enrichment opportunity
- Other

**B. Please refer to the specific goal(s) in the School Improvement Plan that your proposal will support.**

**I am referring to the LMHS vision statement:** Lake Mary High School is committed to the development of the 21st Century student by providing rigorous courses that foster intellectual curiosity. Students will build expertise through integrated technology within a blended curriculum in which they will utilize creative and critical thinking skills. Students will be provided with opportunities to engage in diverse content areas that encourage entrepreneurship and leadership. Lake Mary High School is committed to the students' personal development by utilizing curriculum that will focus on individual character and needs. Each course will provide strategies for students to learn the importance of collaboration and learning. Students will have the opportunity to explore

future career interests through a diverse selection of electives that are relevant and valuable for an ever-changing society. Individuals will demonstrate personal integrity, the highest standards of behavior, and initiative in their education.

**C. Proposal Goal – Please write a one-sentence goal for your program.**

For students of the AP Art History and Humanities programs to experience art first-hand instead of in a textbook, on screen, or in a video. They will be able to move around the pieces seeing sculptures from all sides. They will discuss what they see with each other and with me!

**D. Objectives and Activities – List one or two objectives and activities you will perform to achieve your objectives.**

Objective 1: Students will be able to understand the development, evolution, and eventual style of Surrealism of the artist Salvador Dali.

Activities: Students will record their observations of several pieces in the artistic development of styles leading Dali to his most famous works of Surrealism.

Objective 2: Students will be able to fully understand the style and “movement” of the Post-Impressionist artist Vincent Van Gogh.

Activities: Students’ knowledge will be enriched as they experience the traveling INTERACTIVE exhibition of Vincent VanGogh’s art! They will write about their experience.

Objective 3: Students will be able to review art from various cultures that they have previously learned in class.

Activities: Students will view various artistic works from various cultures (that they have previously studied), ie Asia, Buddhist, Hindu, Greek, European, etc. They will compare pieces in the St. Pete art museum with specific pieces they’ve studied.

Objective 4: Students will be able to understand the techniques of the medium of glass blowing.

Activities: Students will watch a live demonstration of the medium of glass blowing from beginning to end of a new work of art. They will compare and contrast this medium with various other mediums from their curriculum.

**E. Student Outcomes – Please list an expected student outcome for each of your objectives.**

Students will develop:

Outcome for Objective 1: A strong understanding of Surrealism through Dali's works.

Outcome for Objective 2: A strong understanding of Vincent VanGogh's style.

Outcome for Objective 3: A strong understanding through comparing and contrasting works of art from various cultures and eras.

Outcome for Objective 4: A strong understanding of the technique of glassblowing.

**F. Evaluation – Please provide method(s) you will use to determine whether the objectives will be met and student outcomes achieved.**

Students will be writing about each of their observations (see activities)

**G. Other Information – Please use this space to provide any information you think will help SAC better understand your request.**

**H. Budget – Itemize and prioritize your budget request and attach any materials or documentation that will help SAC understand your request.**

**The cost of the charter bus is approximately \$1000.00 for the day. Students will be paying for entrance fees to museums**

**LAKE MARY HIGH SCHOOL  
SCHOOL ADVISORY COUNCIL  
Request for Funds**

**Department:** Fine arts

**Contact Person:** Kristi Hudson

**Total Funds Requested:** 735.00

**Date of Proposal:** 9.2.21

**Fund Request Description:** I would like to purchase an additional foot pedal pottery wheel for my classroom

**A. Statement of Need – Please check those items that best describe the need for this program.**

- High risk population in my class (school)
- Skill deficiencies
- Enhancement for regular curriculum
- Enrichment opportunity
- Other

**B. Please refer to the specific goal(s) in the School Improvement Plan that your proposal will support.**

By learning how to wheel throw, students are provided with an opportunity to master a trade at an early age in order to provide more job options.

**C. Proposal Goal – Please write a one-sentence goal for your program.**

The goal for my proposal is to acquire an additional pottery wheel so more students can have the opportunity to practice the wheel on a daily basis. This will allow class sizes to increase without negatively affecting the resources for the students.

**D. Objectives and Activities – List one or two objectives and activities you will perform to achieve your objectives.**

One of the standards for Ceramics 1 and 2 is to develop competence and dexterity, through practice, in the use of processes, tools, and techniques for various media. We are currently lacking in the number of pottery wheels we have for the classroom in order to meet this standard for wheel throwing.

***Objective 1:***

One of my goals is to have students be more proficient at the pottery wheel. Due to covid, I did not feel comfortable with my ceramics 1 students using the pottery wheels because of proximity and cross contamination. I am working to rectify that this year by spacing wheels out more, and having multiple stations for students to practice the wheel, but with increasing class sizes, it is becoming difficult to provide enough opportunities for students.

***Activities:***

Students will watch various demonstrations from myself and youtube and follow up by imitating what was shown.

***Objective 2:***

Incorporate fun skill building activities into the classroom as students build competency.

***Activities:***

I want to do contests once the students build the basic skills: who can throw the tallest cylinder in 5 minutes, the one minute teapot challenge, who can center the fastest, who can center the most clay, who can throw the most egg cups off the hump in five minutes etc.

**E. Student Outcomes – Please list an expected student outcome for each of your objectives.**

**Outcome for Objective 1:**

Students will learn to center class, pull a cylinder that is at least 5” tall, trim and complete various ceramic forms on the pottery wheel.

**Outcome for Objective 2:**

Students will bond over competitions, and learn to throw under high pressure situations.

**F. Evaluation – Please provide method(s) you will use to determine whether the objectives will be met and student outcomes achieved.**

I will measure sizes of thrown vessels: heights, widths, thicknesses etc. I will also utilize student feedback to gauge success.

**G. Other Information – Please use this space to provide any information you think will help SAC better understand your request.**

Every year, students express desire to use the pottery wheel all throughout Creating 3D art, 3D Art II, Ceramics, and Ceramics 2. I just want to be able to have the opportunities

to teach them these critical ceramics skills rather than only teaching hand-building techniques.

**H. Budget – Itemize and prioritize your budget request and attach any materials or documentation that will help SAC understand your request.**

Clay king sells the Shimpo VL Lite potter's wheel for 735.00 including shipping tax free for schools.

[https://www.clay-king.com/pottery\\_wheels/shimpo\\_pottery\\_wheels/shimpo\\_vl\\_lite\\_pottery\\_wheel.html](https://www.clay-king.com/pottery_wheels/shimpo_pottery_wheels/shimpo_vl_lite_pottery_wheel.html)

## **New SAC Member Elections 2021-22**

### **Nancy Afshari (parent)**

Hi, I would like to be on the LMHS SAC committee so that I can be more involved at the school, possibly for the next 6 years (till my youngest graduates). My daughter is an incoming freshman in the Advanced Manufacturing program, and is an honor student on the freshman cheer team. I myself am an LMHS alumni (Hall of Fame recipient - class of 97), and was simultaneously the room mom, the PTA Treasurer and Skate Night Chair at Highlands Elementary from 2015 to 2017 and on the SAC committee for SCVS for 2016/17 school year. I love our city, and especially the school, I love being involved in my kids' lives and being an active member of the community.

### **Beth Cursi (parent)**

I have been an elementary school teacher for 28 years. I am currently a Kindergarten teacher at Lake Mary Elementary. As a parent of 2 high school students, I would like to be more involved and help more at the high school level. I would like to support the high school teachers, staff and students.

### **Elanie Obando (parent)**

I am interested in joining LMHS SAC to be involved in my child's school. I was involved in SAC at Highlands Elementary for 2 years. I look forward to being part of the LMHS Ramnation Community.

### **Teresa Paolantonio (parent)**

Since I am the mom to a freshman and two other future Rams, I feel compelled to learn more about LMHS and become involved in the operations. I am excited to be a part of the committee that will help make decisions that directly impact LMHS. I am a current member of SAC for Rock Lake Middle. Also, professionally I tutor for the SAT and ACT. I have had the pleasure of helping numerous students from LMHS. I appreciate the opportunity to provide my input to support the goals of the School Advisory Council.

### **Carmen Garcia-Beaulieu (parent)**

My daughter just started LMHS as a freshman. I have been impressed with the level of engagement by the administration, faculty, students, parents and community. I would love to learn more about what is happening at LMHS and be a part of continuous improvement.

### **Giselle & John Mery (parents)**

My daughter just started LMHS as a freshman. I have been impressed with the level of engagement by the administration, faculty, students, parents and community. I would love to learn more about what is happening at LMHS and be a part of continuous improvement.

**Amy Lewandowski (parent)**

I have sat on SAC in my child's elementary and middle school and would like to continue sitting on SAC in high school to further my involvement in her education.

**Jill Cramer (parent)**

I am really excited about being involved, volunteering and providing what guidance I can at Lake Mary High School.

**Kimberly Phillips (parent)**

My family moved to Longwood this past April from St. Louis, Missouri. As a current LMHS parent (sophomore and senior), a former teacher and a very active board member in my sons' school PTO's over the years, I am eager to get involved in the LMHS community.

**Melinda Toepp (parent)**

I like to be involved with volunteering at my children's schools. I have volunteered since the first of my 3 children, now a Senior at FSU, was in kindergarten. From homeroom parent, Home and School Board board member, Girl Scout Troop treasurer, to PTSA in High School, I have been an active volunteer. I have been involved with PTSA during my children's time at LM and am currently the Secretary. I was a SAC member when my first started at LMHS but had conflicting schedules on Tuesday nights and was unable to continue past the 2 years. Now with my 3rd child's last 2 years at LMHS, I am looking forward to being a Parent member and to support SAC.

**Kelly Berman (parent)**

I served on LMHS SAC during the six years my older boys attended Lake Mary. After a year off, I look forward to sharing ideas and providing support to the teachers, students and school in the coming years.

**Anne Hall (parent)**

I would like join SAC, assist the school and students with my time and my expertise as an information technology professional.

**Diane Frances Tente (Grandparent)**

The academic excellence and diversity of opportunities offered at LMHS are a credit to the teachers and staff who serve here. Their success can be measured in the high graduation rate and accomplishments of it's graduates. I discovered the magnitude of hard work and dedication it took to achieve this high

standard while serving on SAC from 1993–1998 while my three children attended and graduated from LMHS. I was honored to serve as it's chairman from 1995 to 1998. I was on the committee which first explored block scheduling by traveling to Cherry Creek High School in Colorado. November 2020 my oldest grandchild recognized the negative impact a lower standard of education and her environment in rural Oklahoma were having on her personally and requested help from her grandfather and I. We welcomed her into our home January 2021 and she is thriving here. I am so impressed with how the school has evolved under it's current leadership and still feel now as I did then. SAC is best way to be an informed and active supporter of the LMHS teachers, staff and students. I continue to work full time but have a flexible schedule as a Graduate Gemologist working from home on the wholesale side of business brokering gemstones and finished jewelry. I will again regularly attend meetings and participate in whatever capacity best serves LMHS. My husband David and I have been married 45 years and are very proud to becoming a, "Grand" active part of "Ramnation".
