 - Governor Scott’s executive order addressing testing
 - There will be no FSA testing for 11th grade students
 - Testing is going smoothly at Creekside
 - Testing was under cyber attack
 - Problems are being remedied
 - Investigation is underway
 - Prom (May 16th) and Graduation (May 30th 9 am)
 - Working with seniors to prepare them for graduation
 - Many activities happening at Creekside
 - Guest speaker – Freedom Writer
 - School musical

- SAC/PTSO Forum with Dr. Joyner – Ms. Daniels
 - 36 page powerpoint explaining the growth situation and school construction projects in St. John’s County is on district website

- School district has grown over 18,000 in the past 20 years. 15 new schools have been built. Over 1,000 new students just this year.
- Dr. Joyner would like everyone to contact state representatives/ legislature to restore property tax millage rate to 2007- 2008 levels to help gain more funding to accommodate the growing school district.
- Strong need for parents to contact legislature. All information about how to contact representatives is on the district website.
 - Support restoration PECO allocation
 - Support increase for more funding for technology needs for growing schools.
- Question: What about news houses being built? Is that bringing in extra taxes?
 - Yes, but not fast enough
- Fund Request: Money to get another hub of computers to bring more technology to the classroom. Makes digital learning more interactive. Total cost: \$888.48
 - Voted to fund
- Upcoming Events – Justin Vogel
