Types of Activities for 2021

- **ELA and Math Item Review:** Educators will complete a virtual synchronous review of pre-field test items for English language arts/literacy or Mathematics considering content, fairness, and accessibility criteria. Smarter Balanced item quality criteria will be provided to item reviewers at the beginning of the meetings. Smarter Balanced staff and the contractor will facilitate and conduct meetings as a collaborative process with selected educators from Smarter Balanced member states.
- **ELA Passage Review:** The ELA contractor will be selecting new potential passages for the Focused IABs (FIABs) next school year. In this July meeting, educators will review the newly selected ELA passages for content, bias, and sensitivity, and grade appropriateness. This meeting will be fully virtual and a mix of synchronous and asynchronous work.
- **Mathematics ALD Review:** Educators who participate in the second mathematics item review, tentatively scheduled January 2022, will also work on the mathematics Achievement Level Descriptors (ALDs). Educators will review and augment the Claims 2, 3, and 4 ALDs. This event is scheduled to be synchronous and virtual.
