Gifted & Talented Programs

If you have a child in 4th, 5th, or 6th grade who is new to Sunset Beach Elementary School (and was not screened at the end of the school year with us last year), he/she may qualify for our math and/or science gifted and talented program(s). If you believe that your child is a high academic achiever who is interested in participating, or if you have questions about our gifted and talented programs, please e-mail Ms.Laura Cummings at Laura.Cummings@k12.hi.us We will be screening new students at the end of quarter one to be able to make the appropriate placement changes before students come back to school after fall break.

From the Counselor...

Attendance letters will be sent home when students have reached 5, 10 and 15 absences, whether they are excused or unexcused. Missing 2 days of school each month during the school year can result in your child being chronically absent. Students are considered chronically absent when they have 15 or more absences. If your child will be absent please let the office know. Thank You!

Aloha 'Aina Recycling Drive

We were able to divert approximately 6,000 pounds of "stuff" from our landfills during our annual community recycling event. Thanks to all who dropped off scrap metal, used cooking oil, Goodwill donations, Habitat for Humanity donations, HI-5 containers, batteries, and electronic waste. A huge mahalo to the Kokua Hawaii Foundation and all of the recycling partners for helping with the drive. Jennifer Milholen, Sarah Sundby, Kim Johnson, and Jack Johnson were a huge help on the day of the event. Sixth graders, Kea, Noah, Savannah, Lucie, Tiana (and Rocky), Coral, and Maddi put in a lot of hard work during the event, and we appreciate you so much!

'Aina In Schools

The 'AINA In Schools program is off to another great start at SBES this year! Join us at the Fall Garden Party, Friday, Sept. 13th, to prep the garden for our 'AINA lessons. Snacks are prepared by volunteers and served every Tuesday morning. Please email Bonnie, ainakinemarketsbe@gmail.com if you're interested in helping with the snack program.
