

How-To Create Your Schedule Class of 2023

Traditionally, this information would be shared with you multiple times in person before we came to this point of the process, but as you all know we are not in a traditional time. Below you will find simple instructions on how to create your class schedule. This will be a very similar process to what you have completed in the past, just with fewer classes and options. Do not let this be overwhelming. The process itself is pretty easy once you make just a few simple decisions.

Things to know:

- If you are in Band you do not have to take PE, and it is recommended band members use this opportunity to take an additional academic class.
- Geometry students should progress to Algebra II / Algebra I students should progress to Geometry.
- If you did not take a history class your freshman year, you must take one this year – either World History or Geography is suggested. If you already took a History class, then you may select an elective instead if you would like.

Scheduling Process:

- Enter any class that is a singleton (only offered once in a day) first and put that in your schedule.
- Next enter your Math.
- Third choose your science and/or history class.
- Lastly, enter in English and P.E.

If you have questions about creating your schedule please email me at nessex@auburn.k12.il.us. I will not be back in the office until July 27th, but I promise I will return all emails I have received on Monday. This page does not need to be turned back into the high school office. **You will need to save it for when you enter your schedule on August 6th.** Further instructions on how-to enter your schedule will be sent next week and shared on your students' Class of 2023 Google Classroom Page.

THIS IS THE TIME FOR YOU TO DO SOME CAREER RESEARCH. MOST LIKELY, THIS WILL HAVE TO TAKE PLACE VIRTUALLY. I WOULD RECOMMEND SPENDING SOME TIME THINKING ABOUT WHAT MAKES YOU HAPPY AND HOW TO INCORPORATE THAT INTO A FUTURE CAREER. YOU SHOULD THEN RESEARCH THAT CAREER, LOOK AT SALARIES, WHERE YOU WOULD NEED TO LIVE TO HAVE THAT CAREER, WHAT COURSES YOU NEED TO TAKE TO HELP YOU FURTHER YOURSELF IN THE KNOWLEDGE NECESSARY TO BE SUCCESSFUL, WHAT COLLEGES OFFER THAT CAREER, AND WHAT KINDS OF HOURS YOU WOULD HAVE TO WORK. ALL OF THESE THINGS ARE IMPORTANT WHEN YOU THINK ABOUT WHAT YOUR FUTURE WILL LOOK LIKE IN THAT CAREER. IN ADDITION, IF YOU ARE THINKING ABOUT MILITARY, REACH OUT TO A RECRUITER AND GET SOME INFORMATION SO THAT YOU CAN MAKE AN INFORMED DECISION.
