SSP	<p>Title one meeting and budget and how it all goes together.</p> <p>Title One Funds: gathering input as to how to spend. As soon as decisions are made, SAC will be provided with them for their thoughts and approval. Trisha explained some of the past things that have been invested in and changes that have been made by the district that we no longer need to purchase. Trisha explained the perimeters and how the decisions are made. Title One will align with the School Success Plan. Allocations have not been shared yet, so decisions still have to be made for the expenses needed. Questions were asked about how the hiring for Title One positions work. Trisha gave the answer and explanation to the asking members.</p> <p>Also explained return on investments and how decisions are made for PD. Explanations of some of the PD offerings and what they are and how they are used inside the classroom.</p> <p>Are parents brought in for CD training?</p> <p>Tables are being presented at school functions for CD and IB.</p>

	Explanations of IB, Tea, and Me and how to involve more people. Explanations of email lists being used.
Healthy Schools	91% of the school received lunch on Friday. Breakfast and Lunch are free for the school year. Looking like it will return to normal starting next year.
School Safety	Email sent to remind staff of needs found during the last ATP drill. Crisis go was explained and its inner workings and usage.
Public Comment *	Present for the summer library challenges and programs coming to the library. Possible Dr. to come in for information. Manny suggested that maybe they can do a health fair for this side of the county, possibly before the end of the school year.
