What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together to make sure all our students reach grade-level standards.

Effective Compacts:

- ❖ Link to goals of the school improvement plan
- ❖ Focus on student learning skills
- ❖ Describe how teachers will help students develop those skills using high-quality instruction
- ❖ Share strategies parents can use at home
- ❖ Explain how teachers and parents will communicate about student progress
- ❖ Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students, staff, and community stakeholders of Lovejoy High School developed this School-Parent Compact for student achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings were held Fall 2018 and Spring 2019 to review the compact and make changes based on the data and students' needs.

If you would like to volunteer, please contact Karen Heatley, Title I Parent Liaison, karenheatley@clayton.k12.ga.us
