Covid Statement

Due to the COVID-19 pandemic, all Forsyth County Schools transitioned to online learning on March 13, 2020 and continued through the end of the 2019-20 school year. Forsyth County Schools' students remained enrolled in all previously scheduled courses and were awarded numeric grades at the end of the term for all courses. Forsyth County Schools instituted a "Hold Harmless" provision for the last 9 weeks of the 2019-20 school year, which meant that for all grade levels, the totality of student work assigned and submitted during online learning, March 16-May 22, 2020, only had a positive impact on the overall semester average.

To begin the 2020-2021 school year, students were given the option of returning to face-to-face learning, participating in full-time virtual courses through Forsyth Virtual Academy, or a hybrid version of both options. All high schools are on an alternating block schedule with yearlong classes for the fall 2020 semester. Students can take a maximum of 7 courses and a minimum of 6, with Seniors minimum being 4 courses.
