NOTE: Columns G, H & I are verified by the Districts and Charter Schools as part of Sept 30th, Unit Count
Total Enrollment (column C) only counts students in traditional School Districts. No Charter or Votech students are included.
Total Home District excludes 20 students who do not have valid Home District reported.
% not attending home district (column L) is calculated on the total students in the home district (column D) and the total not attending (column K).
Choice out of District (column G) = students who have left Home district to attend another School District. This does not include Charter or VoTech schools.
Within District Choice (column F) = students who are attending their district of residence, but have choiced to another school within that district.
