

Inter District Private School Services Agreement

SUWANNEE COUNTY SCHOOL DISTRICT

Agreement for School Year 2015-2016 and terminating by mutual agreement

The Federal Elementary and Secondary Education Act (ESEA) in Title I Section 1120, Section 200.62(b)(1)(i) defines private school children as those who reside in participating public school attendance areas of the school district, regardless of whether the private school they attend is located in the school district. Thus, the school district in which the child resides is responsible for providing services to the child, but it may arrange to have services provided by another school district. For purposes of this agreement, the district in which the student resides will be called the **Resident District**. The district in which the student attends will be called the **Receiving District**.

2. Upon identifying a student attending an eligible private school in the Receiving District, inform the **Resident District** using Appendix B or another method that provides comparable information.

4. Provide equitable services to the parents of identified students.
5. Provide equitable professional development to the regular teachers of identified students.
6. Provide all necessary administrative services to carry out the items above.
7. Invoice the **Resident District** for services provided (exclusive of administrative costs); OR arrange for reciprocal services in an equal monetary amount to private school students for whom the roles of **Receiving and Resident District** are reversed.

Responsibilities of Resident District

1. Upon notification of a student by the **Receiving District**, verify in writing (e-mail is acceptable) whether or not the student is address-eligible for Title I services.
