There are two ways the word in a word family go together—they end in the same sounds, or they end with the same letters. What would be in the word family of old--cold, gold, sold, mold, told. These all end in the same sounds, so they all rhyme. Use the same procedure to work with these word families: -ost (word cards host, most, post) -ind (word cards find, kind, mind) -ild (word cards mild, wild)</p> <p>Thursday, Friday: (L7D) Today we are learning about reversible letters—b, d, and p. One way to remember what sound a letter says is to remember the keyword to go with it-- b for boy, d for dog, and p for dip. Try the b/d strategy. Try the d/p strategy.</p>
<p>Work Period (We Do, You Do)</p> <p>Students learning by doing/demonstrating learning expectations. Describe the instructional process that will be used to engage the students in the work period. TKES 1, 2, 3, 4, 5, 7, 8,10</p>	<p>GUIDED PRACTICE:</p> <p>Monday, Tuesday, Wednesday: (L7C) create a chart with four columns labeled –old, -ost, -ind, and –ild. Sort the words with the students into each column.</p> <p>Thursday, Friday: (L7D) Visual recognition. Auditory Recognition.</p> <p>INDEPENDENT APPLICATION:</p> <p>Monday, Tuesday, Wednesday: (L7C) Students work in pairs—have students read the words in the columns and create a sentence for their partner.</p> <p>Thursday, Friday: (L7D) The students will each have a letter card for b, d, and p. Say a word and they need to hold up the letter that the word starts with.</p>
<p>Closing (We Check)</p> <p>Describe the instructional process that will be used to close the lesson and check for student understanding. TKES : 1,2,3, 4,5,6,7,8</p>	<p>Wrap Up:</p> <p>Monday-Friday: Review the lesson for student understanding.</p>
