*Assistant Principals*

Hello Class of 2021 Parents and Students!

We hope that you've had a great summer so far, and we hope that even with the uncertain times we are in that you are looking forward to our tentative start on August 3rd. In order to make sure you get the most out of your senior year (parents and students), we wanted to pass along some important information that you can and should go ahead and review as soon as possible.

First, please make sure that you are joining the official Class of 2021 Remind. Text @21woodland to 81010 to join. You can also find the instructions to do so on the senior class webpage located under the information section of the main WHS website. If you are using a mobile device to access the website, please click on "menu" in the top left corner in order to see the link to the information section. We will be using this Remind account all year to get information out to all seniors and parents of seniors. It is also a quick way to reach us if you have questions.

Furthermore, the senior website should be the first place you go for any information you need as the year progresses. Information will be updated frequently and has already been updated with important information for the Class of 2021!

Go check it out! If you cannot find the information you want/need, you can email one of the senior class sponsors (see below), but please check the website first as many questions will be able to be answered with the information out there.

Furthermore, while it is the summer, you have something very important to do! You must get your senior portraits made through Lifetouch Studios. This picture will be in the yearbook as well as on your school ID. The bronze level package is free to all students for this reason. However, you can also choose from other packages if you want some other senior pictures as well. If you do not make an appointment to have your senior portrait made by the end of summer (at least the bronze level which is free), your picture will not be included in the yearbook. Go to the WHS senior page for the link to sign up for senior portraits. Remember, this should be done this summer!

Finally, senior dues are required for each graduating senior. You can see what these pay for out on the senior webpage. Go ahead and take care of these as soon as possible so you do not forget. They will be \$165 until December and then go up to \$190 in January. So, pay early and get a discount! Dues can be paid in cash, check, or money order to Ms. Holiday in the front office. This year, you also have the option to pay by credit card through MySchoolBucks. Please see the senior dues section of the senior page for more information and instructions on how to do this.

We are looking forward to an exciting and fun filled senior year for the Class of 2021!

Sincerely,  
Your senior class sponsors,  
Ms. Rogers, Ms. Erickson, and Dr. Ellis
