Principal's Update

Mr. Jackson

a. School Improvement Plan will be presented to the School Board on Tuesday October 1st at 10:15 a.m. -12:00 p.m. @ Fullerwood.

b. Curriculum Night went very well. There were parents' concerns about not being able to attend all their students' presentations. There was great attendance.

c. Fri 9/27 PTO Movie Night- The film is Aladdin (with Will Smith). This is a PG movie. So it is important that permission slips be returned signed.

d. Wed 10/2 All Pro Dad Breakfast- This will be at 7AM. The school has tried to keep the cost low. The school does have volunteers to step in and represent parents. Mothers are more than welcome. The community organization- Psi Phi, has collaborated with the school to represent fathers and a male image in the breakfast.

Mr. Bechtold suggested the PTO help get donations from local restaurants and stores. There are plethora of donut shops that can be approached for donations. Also perhaps bring in some inspiring speakers from the community. Coach Braddock was suggested. Ms. Kaspar also suggested that math and reading be incorporated. Ms. Kaspar will look for some resources to present to parents. Ms. Kaspar suggested Mr. Bechtold present with her.

e. Fri 10/11 First Quarter Ends- Mr. Jackson is tracking student progress and issues that might be present.

f. Mon 10/14 Teacher Planning Day is now a Hurricane Make Up Day per Mr. Forson.

Mr. Bechtold also made a suggestion that when creating our SIP goals, perhaps we should not be setting the goal at 100% because it is not realistic. Mr. Jackson believes that 100% can make gains, even though not all will be proficient.

Title 1

Ms. Marziani

Ms. Marziani gave information about the Summer Reading Olympics Award Ceremony. It was switched to Sept. 13 because of the hurricane.

There are 83 gold medals, 36 silver medals, 34 bronze medals, 7 participants for a total of 160.

Both parents and students were very proud. The winners were treated with an ice cream party.

There were over 700 participants to the Curriculum Nights.

We have 14 Volunteers that come into our school and read with students. If there are any volunteers that are interested in volunteering, they should see Ms. Kenney.

New Business

- a. Revised by-laws- Ms. Kaspar suggested that the team be more involved in assisting the school with the creation of the School Improvement Plan (SIP). Mr. McElhone suggested that perhaps we focus more on #2- to develop a plan for measuring the results or adding suggestions and input for how to add improvements. Mr. Jackson suggested a workshop, for evaluating and giving suggestions, after August 1st be held. Mr. Jackson will look into perhaps having a working Google Doc that information can be shared.

For # 8- put SIP throughout instead of the whole title; adjust semicolons; change #2 “measuring” to “monitor”. A suggestion was made to contact Mr. Hurley about how other schools measure the results.

#3 will be eliminated.

The school staff representatives was adjusted to say “one representative from instructional resource staff.”

Under- “Officers”- Ms. Mancini will check with the state laws, on the verbiage of #1 to see if it can be changed.

Reminder: have a copy of the agenda in the front office. Suggestions: binder, slot on the wall.

Ms. Lloyd made a motion that we accept the Bylaws with revisions. Mr. Bechtold seconded. The motion was passed.
