September 23-27, 2019

Mark your Calendars!

October 3 – Pumpkin Due for Contest
October 7-11 – Fall Break
October 14th – Student Holiday
October 18th – Report Cards
October 22-26 – Red Ribbon Week
October 31 - Halloween

This week in our classroom...

Fall is here!! We have been reading a variety of fiction and non-fiction books about fall and discussing the changes that take place in the fall. We are patiently waiting on cooler weather. We painted fall trees, played sight word "leaf" games, counted fall leaves, went on a nature walk, and investigated all of our Fall objects that came in from home for our science area. We have really enjoyed learning about Fall/Autumn. During math time we counted sets on a ten frame, we counted sets in different arrays, and played fun games with shapes.

Sight Words for October:

Was, on, as, his, I, at, this, from, one, by, e, have, or, had, words, like

The kids have been doing really well in literacy reading the decodable books you see come home. They get very excited to find the sight words that they know in the books! Please let them practice reading these books to you several times a week. It helps so much with their confidence and fluency! Make sure they are pointing to each word as they read.

Common Core Georgia Standards

Literacy

- I can ask and answer questions about key details and unknown words in a text.
- I can write about the events in a story and the connection between two individuals in the text.
- I can use new words and phrases I have learned.

Math

- I can name 2-dimensional and 3-dimensional shapes.

Science

- I can tell you all about Fall.

We will be turning our class into a pumpkin patch after fall break. We will be measuring pumpkins by size and weight and doing other fun activities. We need all different sized pumpkins, gourds, Indian corn, corn stalks, cotton stalks, acorns, etc.

Decorated pumpkins are due next Thursday for the Fair Contest!

Next week. . .

New homework calendars will come home on Monday. Please make every effort to help your child complete theirs. Thanks!!!

I will be assessing first nine weeks standards for our report card and for GKIDS. Your child will receive their first report card on October 18th. Please make sure that your child is here every day unless he/she is sick. As always, if you have questions, please do not hesitate to ask me! =)

HNH Buzz...

One great reason for incorporating centers in our daily routine at Hand in Hand...When children play, they are choosing and using oral language to express themselves.

Promise Statement. . .

We promise to provide a positive, loving, and nurturing learning environment for our children so that they will have an abundance of lifelong experiences.
Have a Great Weekend!! Mrs. Catherine and Ms. Bryce
