Dear Pauoa Ohana,

We are in month two of SY 23-24. How quickly August has passed us by. Thank you for your support in our Panda Fundraiser. With your help, we raised a little over \$1800 and reached 6 states: Hawaii, Oregon, Texas, Washington, Nevada and California. Way to go Pauoa Ohana.

September brings us our first school wide event on campus in our Mele on the Lawn. Come and join us for some mele or music under the stars of Pauoa Valley on September 8 from 5:30-8 pm. Enjoy music from our partners with Mana Maoli and friends of Pauoa, food from our community—Pizza Inferno, OMG food truck, and our own cafeteria serving chili, chili dogs, hot dogs and spam musubi. See you all at Mele on the Lawn on Sept. 8.

Lastly, let's continue to work together in partnership in serving a quality education for our haumana. Make sure to have your child in school on time and present daily, time for iReady (60-90 minutes each week), and completion of school and homework. Stay informed by checking your child's planner or communication tablet and communicating your child's needs with his/her classroom teacher. Let's do this together. Continue to "Believe to Achieve! Stand up! Be heard! Let's excel now!". Have a blessed month in September.

Aloha,

Dale Arakaki, Principal

Pauoa Ohana PTA

Aloha Pauoa Ohana!

Thank you to all of the parents who stopped by the PTA table at the open house. We would love to see you at our next in-person meeting on Tuesday, 9/12/23 @ 5p in the Pauoa Library. If you have any questions please feel free to call/text 808-478-6909 or email PauoaOhanaPTA@gmail.com.

GRADE LEVEL NEWS

Preschool: Ms. Hezekia (D1)

August has come and gone! It happened so fast. We have been busy in D1 learning school routines, how to share, express our emotions and enjoy our time together as a class. August's topic was All About Me and September will be about Community & Community Helpers. Continue to encourage your child's communication skills, social skills and building independence at home. Please continue to keep your child at home if he or she is feeling unwell (cough, runny nose, sneezing, congestion, diarrhea, etc.). Social skills are learned throughout the day and students regularly interact with each other. Please notify me or the office of any absences. Lastly, thank you all for being a wonderful support and we look forward to continuing to help your child grow.

Thank you for your continued care and support,

From Ms. Kanoe and D1 Support Staff

Kindergarten: Ms. Derby (D2), Mrs. Hamada (D3), Mrs. Salcedo (D4)

Aloha Kindergarten Families, Wow it's hard to believe your child has been with us for one month already! This month we will continue to work with your child on building their independence in and outside of the classroom and ask for you to also challenge your child at home in doing this. In reading we continue our work with upper and lowercase letter recognition, letter formation, and letter sounds. In math we will be working on number correspondence, number recognition and rote counting. If you have time please continue to work on these skills at home with your child. We appreciate all your help and support this past month and look forward to a great September!

Mrs. Salcedo, Mrs. Hamada, and Ms. Derby

GRADE LEVEL NEWS

Grade 1: Mrs. Sanbei (B3), Ms. Bierwert (B4), Ms. Keith (B5)

Happy September, family and friends of first grade! We have focused this past month on building relationships and learning routines. Now that we have settled in, we will be diving into our Reading and Math curriculum. For math, we are starting a new math curriculum and will continue to focus on addition and subtraction. Please read with your child and ask comprehension questions before, during, and after reading. Please also practice sight words daily. We appreciate your support at home!

Thank you,
First Grade Team

GRADE LEVEL NEWS

Grade 2: Mrs. Obayashi (C2), Mrs. Rickard (C3), Mrs. Guzzardo (C4)

Hello Grade 2 Families,

Thank you for your support at home! Please continue to work with your child on the following important areas:

- 🕒 **Reading Fluency** - Second grade's goal is to be able to read **100 - 128 words per minute** fluently, accurately, and with proper expression. Use a pointer finger to track the words.
- 📖 **Reading Comprehension** - Read chapter books for at least **20 minutes or more every day**. Read aloud to an adult. Also, **adults please read out loud to your child** to model good reading skills. **Ask questions** to check for understanding.
- 🧮 **Math Fluency** - Memorize **addition and subtraction facts** up to **20 total** accurately and quickly, without counting on fingers.

Specials classes will be every other Tuesday:

- 💻 **Computer Programming** with Mr. Sutherland
- 😊 **S.E.L.** (Social Emotional Learning) with Mrs. Fong
- 🏃 **P.E.** (Physical Education) with Ms. Makaneole

Please wear **athletic shoes** and **bring water bottles** every **Tuesday** and **Friday**.

Grade 3: Mrs. Wong (D6), Ms. Newberry (D7), Mrs. Lau (D8)

Aloha Families,

Our first month of school just flew by! Students have completed their iReady Diagnostics for reading and math. With these results, grade 3 teachers will put the students into groups for our intervention block. This is where we practice the skills needed with the students in small group settings. Please encourage your child to continue to complete iReady reading and math lessons to meet their lesson targets.

We have also started our "Specials" classes, which include Social Emotional Learning with Mrs. Fong, Computer Programming with Mr. Sutherland and P.E. with Ms. M. Grade 3 Specials classes are on 9/7 and 9/21. Thank you for helping your child to be ready for these days with shoes and a water bottle.

Please also continue to support your child to be a self directed learner and be responsible for their learning. They should be doing daily homework assignments and getting their planners signed by an adult family member.

If you have any questions or concerns, please contact your child's teacher. Thank you for all your support!

Grade 4: Ms. Chung (B8), Mrs. Chanhboursy (B9), Mrs. Takesue (B10)

Aloha 4th Grade Families,

It has been a busy first month for our 4th graders! We have been getting to know each other, learning new rituals and routines, and are off to a great start with the 4th grade curriculum. Here are a few friendly reminders and announcements:

- **iReady:** Please help your child keep up with their weekly iReady expectations (see below). Completed iReady logs are due every Friday.

Weekly iReady Student Expectations (for EACH subject)

Level A-C	Level D	Level E-F
<ul style="list-style-type: none">• 75 minutes AND 4 lessons	<ul style="list-style-type: none">• 50 minutes AND 2 lessons	<ul style="list-style-type: none">• 30 minutes AND 1 lessons

- **Reading Log:** Students are responsible for maintaining and reaching their personal weekly goals.
- **Writing Journal:** Students should be keeping up with their journal writing weekly.
- **Multiplication Facts:** Please encourage your child to review their basic multiplication facts 1-10. **Multiplication.com** provides a variety of online games to practice their facts.
- **Cafeteria Monitors:** Please bring an extra mask in a Ziploc bag to store in school as a backup for cafe monitor days.

Lastly, thank you all for attending our Pauoa Open House. It was a pleasure meeting our 4th grade families and celebrating the diverse cultures of our Pauoa ohana. We look forward to partnering with all of you to ensure a successful school year for our students. Thank you for all you do.

Grade 5: Mrs. Takahashi (C8), Ms. Zeng (C9), Mrs. Imada (C10)

Aloha 5th grade families!

The first month of school has passed us by so quickly! In Science, we've been investigating and observing patterns in the night sky. In Math, we've been learning about volume. In Writing, we're starting to read mentor texts about narrative writing. Lastly, in Social Studies we have been exploring culture and landforms in preparation for studying theories on how the earliest Americans migrated to the Americas.

Fifth graders have completed their iReady diagnostic in Reading and Math. This data helps us determine where each student is individually and how to help them meet or exceed our fifth grade standards. The fifth graders have also begun working on their oral fluency. Oral fluency is an integral part of comprehension. It helps the reader become proficient in vocabulary, comprehension and phonics. Encourage your child to read out loud daily. Practice reading with expressions, attending to the punctuations and pacing.

Please keep up to date with the latest incoming events by checking your emails, signing student planners, and checking Seesaw daily.

Happy September!

We made it through the first month of school and getting in the groove of all our new routines. We had our first Multicultural Open House and it was a very successful one. Thank you to our parents for your support and sharing a little bit about your family and culture.

At the end of the month, we will have our Safety Week. During the week we will practice various drills. We have been working on some of the procedures so our students can be prepared when we conduct our drills and in a real emergency.

Reminders:

- Check bag and folder daily for any important documents

Thank you,
Ms. S

Mrs. Lum (Grades K-2, B2)

Aloha Families,

Thank you so much for coming to our open house. This month we are working on the floss rule in OG in which the f, l and s are doubled at the end of a one-syllable word after a short vowel. We will also be working on the magic "e"/silent e. In reading, we are working on sequencing and who, what, when, where questions when reading informational text. We will also continue to practice reading decodable readers. This month in math is focused on adding two-digit by two-digit numbers. We are using manipulatives to help in understanding. By the end of the month, the goal is to be working on regrouping with addition. In writing, we will continue working on narrative writing as well as comparison and contrast. Please contact me with any questions or concerns.

SPED/Resource Classrooms

Ms. Oyama (Grades 3-5, B7)

Aloha B7 Families,

Thank you to everyone who was able to come to Pauoa's Open House. It was great to see you all again!

Our students are working on Math in our new Math Program–Ready Math. We are learning our new math routines. In reading, we are reviewing our phonics (OG) sounds and have gotten into our routines with fluency, grammar, vocabulary, and writing. Through reading short passages, we are reviewing our RACE strategy to answer short response questions.

If you have any questions, feel free to let me know!

Some reminders~

- Bring a water bottle and necessary supplies to class
- Come to class ready to learn with a positive attitude!

Mahalo,
Ms. Oyama

SPECIALS

SEL Teacher: Mrs. Fong (Library)

We have begun 'S.E.L.' classes for all grades K-5. In grades 3-5, we are discussing 'Skills for Learning', 'Empathy', 'Being Respectful' and 'Self-Talk'. In grades K-2, we are discussing 'Listening to Learn', 'Focusing Attention', 'Being Respectful' and 'Self-Talk'. Let's continue to show and teach our keiki to be kind and be empathetic towards each other.

Mrs. Fong

Technology Coordinator/Computer Science: Mr. Sutherland

Aloha Pauoa Students and Families,

We have had a really great start of the year in computer science! Students are getting their accounts setup and reviewing their basic coding skills. This year we will be returning to the code.org curriculum for our main computer science curriculum. We will be extending this curriculum with Lego robotics projects, Micro:bit microcontrollers, Scratch and CS First projects. It will be a busy year with a lot of hard work and many interesting projects. Students, I can't wait to see you in class!

Thank you,
Mr. Sutherland,

Happy September!

I hope this newsletter finds your family happy and healthy. If you haven't done so already, **please fill out the Free and Reduced Price Meal application form** either online, ezmealapp.com, or hard copy. For more information about the free and reduced meal program, please see the [State's Department of Education webpage](#). **Applications are due by mid September.** (A date has not been released yet.)

Parent Teacher Conference forms were sent home on August 30, Wednesday. **Forms are due by Sept. 11.** If you have more than 1 child at Pauoa, please make sure to list all children's names on each form. A form is needed for every child for scheduling purposes.

Session 1 **After School Programs** started on Aug. 29. You should have received either a confirmation form or waitlist letter last week. Thank you for your patience if you received a waitlist letter. Unfortunately we do not have enough space for the programs with no cost to meet the demand. With that said, and because we want your child to have the full experience of the program, please make every effort to ensure that your child attends their program. If your child has 3 unexcused absences, he/she may be replaced by someone on the waitlist. If you know your child is going to be absent, please inform your child's classroom teacher and/or me right away. Thank you for your understanding.

Session 1 **After school tutoring** started on Aug. 29. We have tutors for grades 1 and 3, therefore only students in these grade levels were offered tutoring. Our tutors are our teachers and we thank them for extending their day to support their students. Grade level teachers determine the tutoring group based on data and needs of the students. While we do know that extracurricular activities are important in the development of the whole child, at this point in time, tutoring takes precedence over enrichment programs as we want to give your child every possible support to be successful in the classroom. Please reach out to your child's classroom teacher if you have any questions or concerns about your child.

If you have any questions or concerns, please do not hesitate to email me.

Take care and stay safe,
Ms. Nakamura

Health Aide: Mrs. Ladines (Front Office)

Our bodies are constantly evolving and what was, may no longer be.

Do you feel your child gets symptoms easily? Do you feel it could be allergies?

If your answer is yes, please consult with your keiki's Pediatrician to get a printed doctor's note to keep on file for this school year.

With this clearance, if they have those listed symptoms, your keiki will be able to remain in school.

Come and chat with me - Thanks!!

2023 FEDERAL IMPACT AID (Federal Survey Card)

The 2023 FEDERAL SURVEY CARD (Federal Impact Aid) will be distributed on Wednesday, September 6, 2023. Every student will need to fill out the card and return the signed forms back to your homeroom teachers the very next day or ASAP. Do you live in a Government Housing Project or Work on Federal Properties. (Check out the attached list and enter it on your form) In Hawaii, Federal Impact Aid helps offset costs for school materials and resources, substitute teachers, student transportation, and other services at schools statewide. All students and schools benefit from Impact Aid. Please kokua and support Pauoa School.

Free & Reduced Meals

If you haven't done so already, please go to emealapp.com to apply for Free & Reduced Meals. Only 1 application for the whole family. Please apply online as it will give you a quicker reply. If you had benefits from last year, it will be expiring on 9/19/23. Please re-apply to see if you qualify. If you have any questions, please come to our office or call (808) 587-4500.

Lost & Found

Please make sure to label your items such as clothing or your hydro flasks. We have some of the items in our office, please stop by to check it out. If you place your names, we can return it to the student.
